## MESSAGE FROM THE PRESIDENT

On behalf of the Board of Directors and the Staff of Golf Saskatchewan, welcome to the 2018 Annual General Meeting. The past year has been very successful for our member clubs, members, and staff, and we are very excited to share the news with everyone today.

Golf Saskatchewan continues to align our strategies with our partners at Golf Canada, and we are working in collaboration with them on many initiatives and programs being delivered to our member clubs across the Province.

I would also like to recognize and thank Sask Sport Inc. for the contributions it makes, to Golf Saskatchewan and our member clubs, through the Membership Assistants Program (MAP). We are fortunate to have this partnership, supporting Golf Saskatchewan and the other 12,000 Sport, Culture and Recreation groups in the province. Please continue to purchase lottery tickets responsibly, to support these great organizations.

The Provincial championships we host are one of the core functions of our Association. I would like to thank all the players who participate in our championships. I would also like to thank all our member clubs who partner with us allowing Golf SK to run exceptional championships.

In 2018, we are excited about hosting the LPGA event, the **CP Women's Open** at the Wascana Country Club, Aug 20-26.

I would like to recognize and thank the volunteers, who are the lifeblood of our association. These individuals work tirelessly for Golf Saskatchewan, giving back to the game. Our rules officials, course raters, on course volunteers, and tournament support teams, provide our staff the assistance required to deliver our great services,

We are always looking at new and innovative ways to strengthen our partnership with the Saskatchewan Turfgrass Association, the PGA of Canada/SK and the Saskatchewan Golf Hall of Fame. These associations play a key role in the success and celebration of golf in Saskatchewan, and we are very proud to work with them to grow this great game we all love.

As an Association, we are very proud to have the terrific office staff. I would like to thank Brian Lee, Candace Dunham, Aubrey Shanofer, Dwayne Yachiw, Tyler Buffalo, Riley Stefaniuk, and Eli Mearns for the success that was achieved in 2017. I would like to welcome the new staff who have joined Golf SK, in 2018, and we look forward to their dedication and passion to grow the game of Golf in our Province.

Finally, over the past two years, I have truly enjoyed the opportunity to serve the membership as the President of Golf Saskatchewan. Thank you to the entire board of directors who nominated me. It has been a pleasure and an honour to serve. As my term closes, I am honoured to sit as the Past President of the Association in 2018. Best wishes to everyone on a memorable golf season.

Respectfully submitted,

MAP is funded by the Saskatchewan Lotteries Trust Fund for Sport, Culture & Recreation and is derived from the sale of lottery tickets in Saskatchewan. In 2017, Golf Saskatchewan distributed \$96,500 in MAP Grants to 75 member clubs. A complete break-down of the clubs and the MAP funding from 2017 can be found in the Audited Financial Statements (Schedule 7) in Appendix 1. In 2018, \$99,200 will be distributed to Member Clubs. Since we began tracking the distributed MAP GRANTS funds in 2001, approximately \$1.25 million dollars as been allotted to member clubs of Golf Saskatchewan through grants from the Saskatchewan Lotteries Trust Fund Inc. ### Golf Course Visitation Program

Golf Course visitations have always been a great way to build and maintain relationships with our Member Clubs. In 2017, we had 35 specific course visitations which was an increase from the 14 visitations in 2016. In 2018, there will be an even larger focus on golf course visitations, with the goal to visit all Golf Saskatchewan Member Clubs by the end of 2019. If your course is on the visitation list for 2018, someone from your club will be contacted 2 weeks prior to the visit to ensure we are able to meet with the appropriate contact for the course.

### Trade Shows - PGA of CND/SK Zone Buying Show

In 2017 Golf Saskatchewan and Golf Canada representative, Melissa Bouffard attended the PGA of Saskatchewan buying show in October. Together, we met with 15 member and non-member clubs, communicating the benefits of membership for clubs and individual members. The PGA of SK Buying Show is always a great way to connect and build relationships with member clubs, industry contacts as well as the PGA of SK membership.

### Golf fore the Cure

Since its inception in 2004, *Golf fore the Cure*, is aimed to grow women's participation in the game of golf by introducing them to the game through fun, non-intimidating activities. Through a unique partnership structure with the Canadian Cancer Society the program has women across the country participate in golf activities raising money in the fight against breast cancer. Even if you are not a golfer there is no better chance for you to learn the game and have fun doing it.

Elk Ridge Resort was one of the top event sites in 2017, coming in 2<sup>nd</sup> place after raising over \$23,000 for breast cancer. Since 2004 more than \$5.9 million has been raised. Thank you to everyone who organized, participated, and donated to the local clubs and organizers. We thank those who participated and hope you hold events again in 2018 and beyond.

# FINANCE COMMITTEE

I am pleased to present the financial report for 2017 for the year ending Dec 31<sup>st</sup>, 2017. The firm of VIRTUS GROUP has completed the annual audit of the financial statements of Golf Saskatchewan and in their opinion, management maintains a sufficient and appropriate system of internal accounting controls to ensure the transactions are accurately recorded on a timely basis, are properly approved and result in reliable financial statements. Management and the Board of Directors acknowledge the financial statements are their responsibility.

The Finance Committee, composed of members of the Board of Directors, meets with the management of Golf Saskatchewan to ensure accuracy of the associations financial reports. The Board of Directors has voted to approve the financial statements as presented in the Appendix I of the annual report. Financial highlights:

- i. **Revenues** decreased less than 1% or \$3,800 from the previous year.
  - o The revenues, grants and championships were close to the previous year.
- ii. **Expenses** increased approximately 8% or \$63,000 from the previous year.
  - o Increase in the areas of Admin, Excellence and the restricted SK Golf Hall of Fame.

The Expenses are detailed below:

- iii. **Administration (Schedule 3)** increase approximately 14% or \$40,000.
  - o Amortization of assets and investment in personnel providing more services.
- iv. **Capacity and Interaction (Schedule 4)** increased approximately 12% or \$5,300.
  - o Increase in the Marketing & Promotion and Golf SK meetings.
- v. **Participation and Interaction (Schedule 5)** decreased approximately 5% or \$5,500.
  - o Difference was the Introductory Programming and not purchasing/distributing as many Golf in Schools Kits in 2017 compared to 2016.
- vi. **Excellence (Schedule 6)** increase approximately 15% or \$16,000.
  - o Increase in spending on national championships and athlete assistance in 2017 due to the number of players attending national championships.
  - o More money was invested in the development of Coaching and Officials.

The overall result is a **\$7,724 deficiency** of revenues over expenses and therefore a decrease in the reserves (unrestricted net assets).

## NOTES TO BUDGETING:

1. For the budgeting process, the board and management do not include any grant revenues unless they have officially been announced and received by the office.
2. For the 2017 Fiscal Year, the Board of Directors approved a strategic deficit budget of **\$10,660** (with forecasted expenses totaling \$911,350 compared to revenues of \$900,690).
3. An approved deficit budget does not impact Golf SK's overall financial position due to our strong reserve funds and no interest is accounted for towards our general operating funds.
4. On the next page please view the approved high-level budget for 2018 and a snapshot of the strategic draft budget for 2019.

Thank you to the Golf Saskatchewan staff, Board of Directors and the Finance Committee for their contributions during the past year.

Respectfully submitted,  
Todd Bergstresser, Chair of Finance Committee

## Upcoming USGA Course Rating System Changes

# HANDICAP COMMITTEE

## Purpose of the Golf Canada Handicap System

The purpose of the *Golf Canada Handicap System* is to make the game of golf more enjoyable by enabling players of differing abilities to compete on an equitable basis. The System provides a fair *Golf Canada Course Handicap* for each player, regardless of ability, and adjusts a player's *Golf Canada Handicap Factor* up or down as the player's game changes.

An essential element of the *Golf Canada Handicap System* is the requirement that each *Golf Canada Member golf club* that issues *Golf Canada Handicap Factors* must have a *Handicap Committee* to ensure the integrity of the *Golf Canada Handicap Factors* issued by the Club.

Year	Rounds Posted
2017	239,164

## Golf Canada (Score Centre Mobile) By GolfNet

Post your golf scores, look up a golfers' handicap factor(s), find golf courses in Canada, compute your course handicap and more. If you haven't downloaded the app for your iPhone or Android device, do so in 2018. You could get rewarded just for posting a score. Let's increase the posted rounds in 2018.

## Active Season and Posting of Scores

The Handicap season for posting scores at Saskatchewan golf courses is April 15 to October 31. All games played outside the Active Handicap season in Saskatchewan should not be posted for your Handicap. You may post scores if you played at a course during an Active Handicap Season (I.E. Florida/Texas/Arizona in December). For more information consult the most recent Golf Canada Handicap System Manual.

## Handicap Seminars and Licensing Agreements

There are two ways a club or individual can become certified under the handicap system:

1. is to attend a seminar in person, or
2. register and take the online handicap seminar on the Golf Canada website

15 members attended the Handicap Seminars held in Saskatoon and Regina on May 27<sup>th</sup> and 28<sup>th</sup>, 2017. Of the 15 people who challenged the exam, everyone received their certification. We also had 9 people take the ONLINE Handicap Seminar and all people passed the exam. The online seminar does have a cost however it is MAP Grant eligible.

In 2018, Handicap Seminars will be held in Regina and Saskatoon on May 26<sup>th</sup> and 27<sup>th</sup> respectively. The office will notify member clubs who requiring recertification/certification and those who are required to sign the Handicap Licensing Agreement. Golf SK has not met its goal of having 100% certification of all our member clubs however we are targeting an increase by the end of 2018 working towards the World Golf Handicap System in 2020.

## Extension of the Golf Canada Handicap Manual

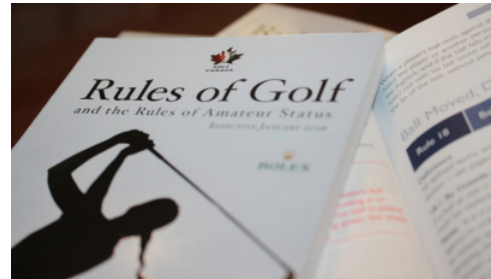

For 2018, the Golf Canada Handicap and Course Rating Committee extended the Golf Canada Handicap Manual effective March 1<sup>st</sup> 2018 to December 31, 2019. Any person who has a certification expiring in 2018 has been extended through 2019. Thank you to the individual who sit on a golf club's Handicap Committee.

# RULES OF GOLF COMMITTEE

## Member Club Rules Clinics

7 member clubs hosted a member club rules clinic in 2017. These sessions conducted at golf courses for the benefit of members and are intended to familiarize golfers with the most frequently encountered rules situations and proper procedures. These seminars take the golfer from tee to green, covering the Rules an average golfer will encounter. If you have a "What If Question ..." or "What Happens When ..." the Member Club Rules Clinics is for you.

## Golf Rule of the Week

Since 2009, Golf SK has shared a Rule of the Week during most of the Active Season. The Rule of the Week has grown over these past 9 years and is now circulated to more than 3,000 readers. The Rule of the Week will continue in 2018 starting the week of April 15<sup>th</sup>. Remember – The Rules Matter!

## Rules Education

### Level 1 and 2, Starting your Rules Education

If you are interested in the starting your Rules of Golf education and progressing through the Golf Canada Rules Educational Pathway, please visit [www.golfcanada.ca](http://www.golfcanada.ca) and select Rules. You don't have to be an expert on the rules, just show some interest.

### Level 3, Provincial Rules of Golf Seminar

In 2017, Golf SK held the Level 3 Rules of Golf Provincial Seminar at the Travelodge Hotel in Saskatoon on Apr 22-24. A total of 17 people attended the weekend with 13 participants and 4 instructors. The 7 participants challenging the exam, all passed, and 2 reached the certification/re-certification mark of 85%.

In 2018, we will hold the Level 3 Rules of Golf seminar in Saskatoon with a date to be confirmed.

### Level 4, National Rules of Golf / Tournament & Rules Administration (TARS)

In 2017, the Golf Canada National Level 4 Rules of Golf Seminar was held in Calgary at the Willow Park GCC. We had 1 attendee and 1 instructor who participated. Laurie Walker, Cooke MGC in Prince Albert, gained her certification mark. In late April 2017, the second Tournament Administration & Referees School (TARS) was held in Vancouver. The National Rules Committee and Golf Canada Staff put on a wonderful seminar with input and guest instruction from the USGA and R&A. More than 60 delegates from across Canada attended the sessions including 3 people from Saskatchewan.

## 2018 Rules Certification Extensions

Golf Canada has decided for those Level 4 officials whose certification will no longer be valid in 2018, we will be extending their certification until December 31, 2018.

## 2019 Golf Canada Rules of Golf Seminars

The first series of workshops on the new Rules of Golf will be conducted in the Fall of 2018, with a second series of workshops scheduled during the Spring of 2019. The two series of workshops will have different exams. This will allow anyone taking the exam in the Fall of 2018 to also take the exam given in the Spring of 2019, should there be a need or desire to do so. The schedule for workshops on the new Rules will be published in the spring, with registration opening in the early summer. Additionally, information about new tools and resources to support your learning of the new Rules will be provided in the coming months. Stay tuned for more details.

# SPORT DEVELOPMENT & CHAMPIONSHIPS COMMITTEE

## EXCELLENCE – HIGH PERFORMANCE

### High Performance Development Team - Easter Golf Camp

In 2017, the Easter Golf Camp was held at the Pheasant Glen Golf, Qualicum Beach BC. The participants are part of the Golf SK High Performance Development Team. The team started training in 2016 and focused their efforts towards the 2017 Canada Summer Games and beyond. Our Canada Games Team, is selected with members of the HP Development Team only.

The High Performance Development Team is a strategic measure under the Excellence area of Golf SK's strategic plan. This continues to be a fundamental change from the "traditional way" of doing things. Looking at 2018, a full plan shared with the team members and parents in the spring with input from the Sport Development Committee and our Coaching team.

### Coaching Development

The PGA of Canada's coaching program is developed in partnership with Golf Canada and the Coaching Association of Canada (CAC). The PGA of Canada is one of 67 sports participating in the National Coaching Certification Program (NCCP), representing coaching and instructing excellence in Canada. Golf SK has made Coaching a strategic imperative and we have contracted the services of Jason Schneider (CDC) to be the coaching leader for our province and work with our High Performance Development team and our Integrated Support Team. As of 2017, Saskatchewan has:

### Athlete Assistance (AA) for National Championships

The Sport Development Committee believes in our athletes competing and excelling at the highest levels. In 2013, the Athlete Assistance Program was revamped from an application process to an earned program. Following our Provincial Championships, athletes who qualify to attend nationals, either on teams/quota spots, are eligible to receive funding. The amount of subsidy is determined on an annual basis, however more dollars are allocated towards players who make the team spots. In 2017, \$19,717 was provided in AA along with \$43,000 in National Championship funding.

## SAGE Scholarships

The program annually presents scholarships to assist deserving member golfers in their pursuit of high school and post-secondary academic excellence. The successful recipients are selected on their basis of academic excellence as well as some weighting of their golf participation.

The two organization who pay the scholarship amounts are Golf Saskatchewan and the Saskatoon Community Foundation. In 2017, more than \$12,000 was awarded to 12 student athletes, provided they attended university, college, trade-school or post-secondary institution.

### North American Indigenous Games (NAIG 2017)

The planning tryouts for the 2017 North American Indigenous Games continued for Team Saskatchewan leading up to the August competition. The plan included work sessions with Golf Saskatchewan Coach, Jason Schneider, followed by a competition and final team selections in May.

Once the golf team was selected, they joined the other athletes and headed for Toronto in August to take part in one of the largest Multi-Sport Games in North America.

If past results were any indication, team Saskatchewan was entering the competition with positive expectations, as the team did well at the 2014 NAIG in Regina.

The training costs were shared through funding from Sask Sport Inc. through the Aboriginal Sport Enhancement Project (ASEP) grant and Golf Saskatchewan. The support of Aboriginal golf initiatives remains a high priority of Golf Saskatchewan in 2017, 2018 and beyond.

Thank you to the managers, coaches, parents, elders and athletes who were a part of the training process, travel to and from the events and supporting the many female and male athletes.

## PARTICIPATION - GRASSROOTS DEVELOPMENT

### Future Links

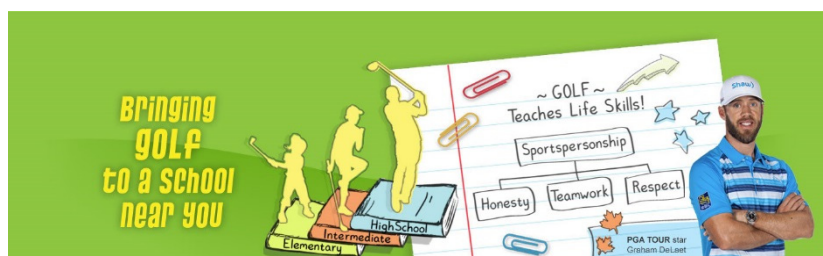

Future Links, Driven by Acura, (presented provincially by SaskTel) gives children ages 6-18 the chance to enjoy and learn the game of golf via affordable and accessible programs that align and support the principles of golf's long-term player development guide, which has been endorsed by Sport Canada. More than one million junior golfers have successfully participated in Future Links, Driven by Acura programming since its inception in 1996.

### National Golf in Schools:

This program has been developed for teachers to provide students the opportunity to develop aspects of “physical literacy” related to the sport of golf. The program also increases student knowledge and appreciation for the sport of golf. In 2017, Golf SK contacted 169 schools to determine how the program was working and shared the feedback with Golf Canada and other Provincial Golf Associations, to improve the program.

In 2017 in the Future Links Golf in Schools program, we introduced 13 elementary schools and 2 intermediate schools into the program. Golf SK's commitment to growing the sport is evident through this program. It would not be possible for Golf in Schools to have the success it has had without the school boards, schools, communities and member club's support. At the end of 2017, GIS is in 272 elementary schools, 13 intermediate schools and 51 high schools = **Total of 336**.

Looking at 2018, Golf SK has a goal of having a GIS kit at every elementary school and most of the intermediary schools. **How to get a GIS Kit?** Some of the schools contacted our office and purchased kits, others were chosen to receive a kit based on school budget shortfalls and some schools have been adopted by a club or golf professional.

### Community Golf Coach

This workshop has been designed for the Community Golf Coach who is, or would like to, work with children or youth and is introducing the basic skills of golf. The overall goal of this workshop is to help prepare the coach to be competent in the skills required by a community coach. We currently have 57 trained community coaches including 6 people who certified in 2017.

In 2018, the Community Golf Coach workshop is scheduled for April 28-29, at the Willows GCC. The facilitator will be Amanda Minchin, TS&M Woodlawn GC Head Professional.

## Healthy Lifestyle and Drug Awareness Days

In November each year, Golf Saskatchewan and Saskatoon Minor Hockey share a booth at the Prairieland Park to participate in the Healthy Lifestyles and Drug Awareness Days. More than 2,000 children grade 7-8 participate in the two-day session put on by the Saskatoon Police Services. We participate to show golf is a fantastic way to stay active, involved and decrease the chances of participating in high risk activities.

## Inclusionary Program: THE SOLO-RIDER

Sometimes people cannot play golf due to mobility issues related to age, change in life situation, health deterioration or an accident. The Solo-Rider is turning what used to be thought of as impossibility, into a reality. Athletes who have a mobility issue can now enjoy the stable, comfortable and fun way to get back in the game.

The specialty cart enables golfers to continue to enjoy the game of golf or take it up for the first time. Golf Saskatchewan, through funding from Sask Sport Inc. and the Para-Sport grant now owns 2 Solo-Ride power-carts. The Solo-Riders are in Saskatoon, at the Silverwood GC and in Regina, at the Royal Regina GC. As of October 2017:

- 16 separate individuals used the cart at various times during the season at the Silverwood GC, including some who used it more than 6 rounds, and
- 8 separate individuals used the cart at various times during the season at the Royal Regina GC,
- Additionally, the Solo-Rider was also transported to Aspen Links at Emerald Park for two corporate events.

There is no cost to rent the Solo-Rider other than the cost of a green fee. The staffs at Silverwood GC and the Royal Regina GC will provide a quick tutorial for anyone wishing to use it. The City of Saskatoon and the Royal Regina GC endorses the use of the cart as it is an inclusionary item for people with mobility impairments. Please assist us in spreading the word about the Solo-Rider.

The accompanying financial statements of **Saskatchewan Golf Association Inc.** operating as **Golf Saskatchewan** have been prepared by the Association's management in accordance with Canadian accounting standards for not-for profit organizations and necessarily include some amounts based on informed judgment and management estimates.

## INDEPENDENT AUDITORS' REPORT

### To the Members, Golf Saskatchewan

We have audited the accompanying financial statements of **Saskatchewan Golf Association Inc.** operating as **Golf Saskatchewan** which comprise the statement of financial position as at December 31, 2017, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Opinion*

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Association as at December 31, 2017 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

**1. Description of operations**

Saskatchewan Golf Association Inc. ("Golf Saskatchewan" or the "Association") was incorporated under the Saskatchewan Non-Profit Corporations Act of Saskatchewan. The Association promotes and coordinates amateur golf in the province of Saskatchewan.

**2. Summary of significant accounting policies**

The financial statements required management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the period in which they become known. These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The financial statements reflect the following policies:

**Inventory**

Inventory is recorded at the lower of cost and net realizable value. Cost is determined based on the weighted average method.

**Tangible capital assets**

Tangible capital assets are recorded at cost less accumulated amortization. Amortization is provided on a declining balance basis over the estimated useful life of the assets at the following annual rates:

Computers	40%
Equipment	30%
Furniture & fixtures	30%

**Funds**

The Golf Hall of Fame fund is an internally restricted fund established to hold funds raised in support of a Saskatchewan golf hall of fame.

**Revenue recognition**

The Organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable, if the amount can be reasonably estimated and collections are assured. Revenues received from the Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation are recorded as revenue in year to which the funding relates.

**Donations in kind**

Donations of material and services are recorded at fair market value when received if the amount can be reasonably estimated and would otherwise have been purchased.

**GOLF SASKATCHEWAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2017**  
(with comparative figures for the year ended December 31, 2016)

**2. Summary of significant accounting policies (continued)**

**Contributed services**

The work of Golf Saskatchewan is dependent on the services of many volunteers at amateur events as well as governance council and various committees. Since these services are not normally purchased and because of the difficulty in determining their fair value, donated services are not recorded in the statement of operations.

**Financial instruments – recognition and measurement**

Financial assets and financial liabilities are recorded on the statement of financial position when the Association becomes party to the contractual provisions of the financial instrument. All financial instruments are required to be recognized at fair value upon initial recognition, except for certain related party transactions. All other financial assets, except for investments, and financial liabilities are subsequently measured at amortized cost adjusted by transaction costs, which are amortized over the expected life of the instrument. Investments are measured at fair value.

Fair value is the amount at which a financial instrument could be exchanged at arm's length between willing, unrelated parties in an open market. Changes in fair values of financial assets and financial liabilities measured at fair value are recognized in excess of revenues over expenses.

When there is an indication of impairment and such impairment is determined to have occurred, the carrying amount of financial assets measured at amortized cost is reduced to the greater of the discounted cash flows expected or the proceeds that could be realized from sale of the financial asset. Such impairments can be subsequently reversed if the value subsequently improves.

**4. Investments**

RBC A+ Unified Managed Account	\$ 415,507	\$ 404,833

Cash surrender value of life insurance policy	3,968	3,679
Total long term investments	<b>\$ 423,818</b>	<b>\$ 412,644</b>

The RBC A+ Unified Managed Account is a structure which provides access to multiple investment managers within one account. The asset allocation of the account is set at 45% equities and 55% fixed income, with an emphasis on high quality securities, income generation, downside protection and capital preservation.

At December 31, 2017, the asset allocation in the account was \$15,108 in cash, \$218,106 in fixed income, \$182,293 in equities.

At December 31, 2016, the asset allocation in the account was \$10,892 in cash, \$152,244 in fixed income, \$172,402 in common shares, \$57,770 in mutual funds and \$11,526 in foreign securities.

**5. Sport Legacy Fund**

The cash surrender value of the life insurance policy and investment in the Sport Legacy Fund consists of donations based on various programs and contributions by Sask Sport. These amounts are recorded as deferred revenue until amounts have been received. To qualify for an additional contribution by Sask Sport Inc., the Association is required to leave the original amount and any additional donations in the Legacy Fund for a minimum of five years.

**6. Deferred revenue**

During 2017, the Association received \$204,000 from the Saskatchewan Lotteries Trust Fund for expenses which will occur in the following fiscal year (2016 – \$198,200). Also, deferred revenue includes the funds invested with the Sport Legacy Fund of \$8,311 (2016 – \$7,811).

**7. Economic dependence**

Golf Saskatchewan currently receives revenue in grants from Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation. As a result, the Association is dependent upon the continuance of these grants to maintain operations at their current level.

**8. Income taxes**

No provision for income taxes has been made in these financial statements as the Association is a non-profit organization and is exempt from income taxes under Section 149(1)(l) of the *Income Tax Act*. To the extent the Association maintains its non-profit status, no income taxes are expected to be payable.

**(with comparative figures for the year ended December 31, 2016)**

---

**9. Financial Instruments**

The Association recognized financial instruments consist of cash, accounts receivable, accounts payable and accrued liabilities and investments. The fair value of cash, accounts receivable, accounts payable and accrued liabilities and investments, approximate their carrying value given the short-term nature of the amounts.

**10. Financial risk management**

The significant financial risks to which the Association is exposed are:

**Credit risk**

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Association is exposed to credit risk on the accounts receivable from its customers, however, does not have a significant exposure to any individual customer or member. The Association incurred \$860 in bad debt expense in the current year (2016 - \$717). The Association's customers are mainly members of the Association.

**Liquidity risk**

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Association's exposure to liquidity risk is dependent on the receipt of funds from its operations and other related sources. Funds from these sources are primarily used to finance working capital and capital expenditure requirements, and are considered adequate to meet the Association's financial obligations.

**Price risk**

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Associations investments in publically traded securities expose the Association to market price risk as such investments are subject to price changes in the open market. The Association does not use any derivative financial instruments to alter the effects of this risk.

**11. Contributed materials**

During the year the Association received donated golf products estimated to be valued at \$16,700.
