MESSAGE FROM THE PRESIDENT

On behalf of the board of directors and the staff of Golf Saskatchewan, welcome to the 2019 annual general meeting. The past year has been very successful for our member clubs, members, and staff. We are excited to share the positive news with everyone today.

Golf Saskatchewan continues to align our strategies with our partners at Golf Canada and continue to work in collaboration with them on many initiatives and programs being delivered to our member clubs across the province.

I would also like to recognize and thank Sask Sport Inc. for the contributions it makes to Golf Saskatchewan and our member clubs, through the Membership Assistants Program (MAP). We are fortunate to have this partnership, supporting Golf Saskatchewan and the other 12,000 sport, culture and recreation groups in the province.

The provincial championships we host are one of the core functions of our association. I would like to thank all the players who participate in our championships. We continue to try and introduce new ideas based on the comments of our competitors so thank you for the feedback. I would also like to thank all our member clubs who partner with us allowing Golf Saskatchewan to run exceptional championships. Without our member clubs we would not be able to host these events.

In 2018, Wascana Country Club did a magnificent job of hosting the **CP Women's Open** for the first time in our province. I was personally able to attend the event and the comments that I heard from the participants were nothing but great. I was able to witness the amazing volunteers that this province and country possess.

I would like to recognize and thank the volunteers, who are the lifeblood of our association. These individuals work tirelessly for Golf Saskatchewan, giving back to the game. Our rules officials, course raters, on course volunteers, and tournament support teams, provide our staff the assistance required to deliver our great services.

We are always looking at new and innovative ways to strengthen our partnership with the Saskatchewan Turfgrass Association, the PGA of Saskatchewan and the Saskatchewan Golf Hall of Fame. These associations play a key role in the success and celebration of golf in Saskatchewan, and we are very proud to work with them to grow this great game we all love.

As an association, we are very proud to have the terrific office staff. I would like to thank our fulltime staff of Brian Lee, Candace Dunham, Steve Ryde and Clark Stork. Along with our interns Tyler Buffalo and Tanner Gerwing

Finally, this past year has been a truly enjoyable opportunity to serve the membership as the president of Golf Saskatchewan. Thank you to the entire board of directors who nominated me. As my year comes to an end, I would be honored to lead this organization again in 2019

Respectfully submitted,

A handwritten signature in blue ink, appearing to read 'Delbert Betnar'.

- **Coaching:** we continue to invest in the development of our coaches; Jason Schneider and Steve Ryde.
- **North American Indigenous Games** Follow-up sessions from the NAIG 2017 and planning for 2020 in Halifax, Nova Scotia are underway. The 2019 Tony Cote Summer Games will also assist in fielding a competitive team.

The successes in 2018 can be attributed to the many dedicated volunteers and our professional staff who keep our organization running effectively. The volunteers serve in areas including; championships, Course Rating, Financial Management, Governance, Handicapping, Member Services, Rules of Golf, and Sport Development.

For the volunteers listed throughout the annual report under; committees, volunteer years of service and the Saskatchewan Golf Hall of Fame, we thank you for your direct and indirect contributions to golf.

Over the past 12 months, Golf Saskatchewan has narrowed its focus to four main areas of our Strategic Plan: (see picture at the bottom of Page 7 Golf House Saskatchewan):

1. Ensuring Excellence
2. Growing Participation
3. Fostering Interaction
4. Expanding Capacity

Looking forward using the Strategic Plan, I see continuing the collaborative partnerships with Golf Canada, other Provincial Golf Associations and the National Allied Golf Association members (NAGA) to propel the game of golf forward. The goal of all golf associations is to work together to increase participation, increasing member values and attracting new golfers to the sport. We will continue to work on measures for diversity & inclusion and the Respect in Sport programming.

A few thank you points:

has many health benefits, it may improve your overall quality of life and it is fun.

2019 has witnessed the first 3 months of the new Rules of Golf code and it will take some time for the rules to become the new normal. Please give it time and adapt to these great changes and note changes will continue into 2020.

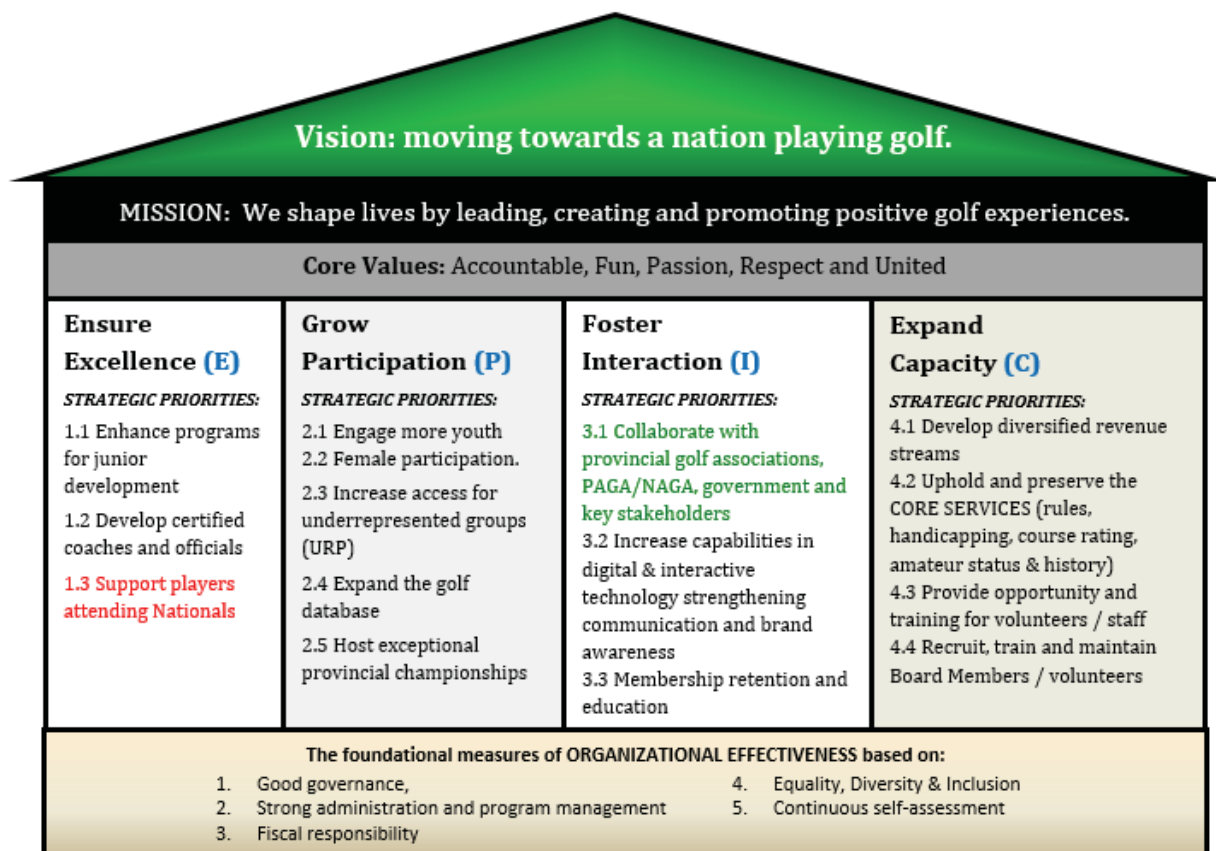

I am proud of what Golf Saskatchewan achieved across our many operational areas in 2018 and we look forward to continuing to execute our Strategic Plan in 2019 through 2022. Golf is in great shape and we look forward to seeing you all on the links in 2019 and beyond.

Golf Course Visitation Program

Golf Course visitations have always been a great way to build and maintain relationships with our Member Clubs. In 2018, we had 63 specific course visitations which was an increase from the 35 visitations in 2017. In 2019, there will be a continued focus on golf course visitations, with the goal of visiting all Golf Saskatchewan Member Clubs by the end of 2019. If your course is on the visitation list for 2019, someone from your club will be contacted 2 weeks prior to the visit to ensure we are able to meet with the appropriate contact for the course.

Membership Assistance Program (MAP Grants)

The purpose of the Membership Assistance Program (MAP) Grant is to provide financial assistance to Golf Saskatchewan registered affiliated clubs so they may operate programs that will encourage and promote community and club level sport development in their local area. Development of these programs and services will increase membership in Golf Saskatchewan and the local Member organizations. MAP is funded by the Saskatchewan Lotteries Trust Fund for Sport, Culture & Recreation and is derived from the sale of lottery tickets in Saskatchewan.

In 2018, Golf Saskatchewan distributed \$99,200 in MAP Grants to 79 member clubs. A complete break-down of the clubs and the MAP funding from 2018 can be found in the Audited Financial Statements (Schedule 7) in Appendix 1. In 2019, \$98,200 will be distributed to Member Clubs. Since we began tracking the distributed MAP GRANTS funds in 2001, approximately \$1.35 million dollars as been allotted to member clubs of Golf Saskatchewan through grants from the Saskatchewan Lotteries Trust Fund Inc. Thank you for the continued support.

Golf Saskatchewan has tracked Hole-in-Ones scored by members in the Hole-in-One Club since 2004. Any member scoring a hole-in-one receives a pin and certificate from Golf Saskatchewan upon submission of their information and they are also recognized in our ON PAR E-Newsletter.

FINANCE COMMITTEE

I am pleased to present the financial report for 2018 for the year ending Dec 31st, 2018. The firm of VIRTUS GROUP has completed the annual audit of the financial statements of Golf Saskatchewan. In VIRTUS Group's opinion, management maintains an appropriate system of internal accounting controls ensure the transactions are accurately recorded on a timely basis, are properly approved and result in reliable financial statements. Management and the Board of Directors acknowledge the financial statements are their responsibility.

The Finance Committee, composed of members of the Board of Directors, meets with the management of Golf Saskatchewan to ensure accuracy of the association's financial reports. The Board of Directors has voted to approve the financial statements as presented in the Appendix I of the annual report. Financial highlights:

- i. **Revenues** decreased less than 1% or \$9,459 from the previous year.
 - o The revenues, grants and championships were comparable to the previous year.
- ii. **Expenses** increased approximately 4% or \$37,544 from the previous year.
 - o Increase in the areas of Administration, Capacity & Interaction, Charitable expense, however there was less spending in the Excellence area. 50/50 payment from the CP Women's Open was made in 2018.

The Expenses are detailed below:

- iii. **Administration (Schedule 3)** increase approximately 16% or \$52,000.
 - o Amortization of assets and investment in personnel providing more services.
- iv. **Capacity and Interaction (Schedule 4)** increased approximately 51% or \$25,000.
 - o Increase in the Marketing & Promotion and payment of the 50/50 winnings.
- v. **Participation and Interaction (Schedule 5)** decreased approximately 3% or \$3,159.
 - o Difference was a reduction in Introductory coaching and Officials development. We did not hold a provincial Rules or Handicap Seminar due to the upcoming changes.
- vi. **Excellence (Schedule 6)** decrease approximately 49% or \$59,000.
 - o Decrease in spending on national championships and athlete assistance compared to 2017 as we stayed in line with budget. We also did not have a High Performance Easter Golf Camp or host a Golf Canada regional or national championship in 2018.

The overall result is a **\$54,726 deficiency** of revenues over expenses and therefore a decrease in the reserves (unrestricted net assets).

NOTES TO BUDGETING:

1. For the budgeting process, the board and management do not include any grant revenues unless they have officially been announced and received by the office.
2. For the 2018 Fiscal Year, the Board of Directors approved a strategic deficit budget of **\$83,720** (with forecasted expenses totaling \$976,020 compared to revenues of \$892,300).
3. An approved deficit budget does not impact Golf Saskatchewan's overall financial position due to our strong reserve funds, and no interest was accounted in our general operating funds.
4. On the next page please view the approved high-level budget for 2019.

Thank you to the Golf Saskatchewan staff, Board of Directors and the Finance Committee for their contributions during the past year.

Respectfully submitted, Todd Bergstresser, Chair of Finance Committee

HANDICAP COMMITTEE

Purpose of the Golf Canada Handicap System

The purpose of the *Golf Canada Handicap System* is to make the game of golf more enjoyable by enabling players of differing abilities to compete on an equitable basis. The System provides a fair *Golf Canada Course Handicap* for each player, regardless of ability, and adjusts a player's *Golf Canada Handicap Factor* up or down as the player's game changes.

An essential element of the *Golf Canada Handicap System* is the requirement that each *Golf Canada Member golf club* that issues *Golf Canada Handicap Factors* must have a *Handicap Committee* to ensure the integrity of the *Golf Canada Handicap Factors* issued by the Club.

Golf Canada Score Centre

Post your golf scores, look up a golfers' handicap factor(s), find golf courses in Canada, compute your course handicap and more. If you haven't downloaded the app for your iPhone or Android device, do so in 2019. You could get rewarded just for posting a score. Let's increase the posted rounds in 2019.

Active Season and Posting of Scores

The Handicap season for posting scores at Saskatchewan golf courses is April 15 to October 31. All games played outside the Active Handicap season in Saskatchewan should not be posted for your Handicap.

You may post scores if you played at a course during an Active Handicap Season (I.E. Florida/Texas/Arizona in December). For more information consult the most recent Golf Canada Handicap System Manual.

Handicap Seminars and Licensing Agreements

There are two ways a club or individual can become certified under the handicap system:

1. is to attend a seminar in person, or
2. register and take the online handicap seminar on the Golf Canada website

The online seminar does have a cost however it is MAP Grant eligible. To certify under the 2019 Handicap Code, please visit <http://golfsaskatchewan.org/volunteers/#online-handicap-system>

In 2019, Handicap Seminars will be held in the fall, leading up to the World Golf Handicap System in 2020. The office will notify member clubs who requiring recertification/certification and those who are required to sign the Handicap Licensing Agreement.

Extension of the Golf Canada Handicap Manual

For 2019, the Golf Canada Handicap and Course Rating Committee extended the Golf Canada Handicap Manual effective March 1, 2018 to December 31, 2019. Any person who has a certification expiring in 2019 has been extended through 2019.

Thank you to the all the individuals at member clubs who sit on your golf club's Handicap Committee. Keep encouraging your members to post their scores.

The screenshot shows the 'My Club' tab selected. At the top, there's a 'Post a Score Now' button. Below that, two red boxes display 'Golf Canada Handicap Factor 7.9' and 'Avg Strokes Over Par 13'. SPORT DEVELOPMENT & CHAMPIONSHIPS COMMITTEE

EXCELLENCE – HIGH PERFORMANCE

In 2018, the Easter Golf Camp was postponed as a strategic decision to revamp the overall program. In 2019, the Easter golf trip is back on and we will be visiting the Crowne Isle Resort in Comox, BC. The participants are part of the High Performance Development (HPD) Team, as well as other invited junior golfers from across Saskatchewan.

The High-Performance Development Team is a strategic measure under the Excellence area of Golf Saskatchewan's strategic plan. A full program plan has been shared with the team members and parents in the spring with input from the Sport Development Committee and our Coaching team. The overall goal of the HPD Team is to perform better on the golf course, at tournaments, be focused on the tasks at hand on and off the course and develop all aspects of their golf games.

Coaching Development

The PGA of Canada's coaching program is developed in partnership with Golf Canada and the Coaching Association of Canada (CAC). The PGA of Canada is one of 67 sports participating in the National Coaching Certification Program (NCCP), representing coaching and instructing excellence in Canada. Golf SK has made Coaching a strategic imperative and we have contracted the services of Jason Schneider (CDC) to be the coaching leader for our province and work with our High-Performance Development team and our Integrated Support Team. As of 2019 Saskatchewan has:

Community Golf Coach

This workshop has been designed for the Community Golf Coach who is, or would like to, work with children or youth and is introducing the basic skills of golf. The overall goal of this workshop is to help prepare the coach to be competent in the skills required by a community coach. In 2018, the Community Golf Coach workshop was scheduled for April 28-29, at the Willows GCC. Amanda Minchin, TS&M Woodlawn GC Head Professional was the facilitator with 19 community coaches attaining certification. The Community Coach seminar for 2019 is being finalized.

National Athlete Assistance Subsidy (NAAS)

The Sport Development Committee believes in our athletes competing and excelling at the highest levels. In 2013, the National Athlete Assistance Subsidy program was revamped from an application process to an earned program. Following our provincial championships, athletes who qualify to attend nationals, either on teams/quota spots, are eligible to receive funding. The amount of subsidy is determined on an annual basis, however more dollars are allocated towards players who make the team spots. In 2018, NAAS combined with the National Championship funding and more than \$48,000 was invested into assisting our players compete at Golf Canada championships.

SAGE Scholarships

The program annually presents scholarships to assist deserving member golfers in their pursuit of high school and post-secondary academic excellence. The successful recipients are selected on their basis of academic excellence as well as some weighting of their golf participation.

The two organizations who pay the scholarship amounts are Golf Saskatchewan and the Saskatoon Community Foundation. In 2018, more than \$12,000 was awarded to 12 student athletes, provided they attended university, college, trade-school or post-secondary institution.

MULTI-SPORT GAMES

Multi-Sport Games is an area Golf Saskatchewan holds as an important Strategic Planning area.

Saskatchewan First Nations Summer Games (2019)

2018 was an off year for the Tony Cote Summer Games (formerly SK First Nations Summer Games). The 2019 games take place July 14-19 in Meadow Lake, SK. Athletes, ages 13-18, will travel from across Saskatchewan to compete in various sporting events such as athletics, archery, beach volleyball, canoeing, cross country, golf, lacrosse, soccer and softball.

The format used for the golf will be a two-person, best ball, stableford point system and will be contested at the Meadow Lake Golf & Country Club. A projection of 100 athletes and coaches will participate in the two days of the golf competition.

Western Canada Summer Games (2019)

Over 1,700 athletes, coaches, officials and mission staff from Alberta, Saskatchewan, Manitoba, Northwest Territories, Yukon and Nunavut will be attending the 10 days of competition. These athletes, ages 13 – 20 years old, are our country's next generation of national, international, Olympic and Paralympic champions. The dates will be Aug 8-18.

The 2019 Western Canada Summer Games will leave a legacy of new and enhanced sport facilities and volunteer and leadership development that will benefit athletes and the broader southwest Saskatchewan community for years to come.

In 2019 Swift Current will be the host of the Western Canada Summer Games. Athletes from three western provinces (Saskatchewan, Manitoba, Alberta) and three territories (Nunavut, Northwest Territories and Yukon) will compete in 17 different sport events — athletics, baseball, basketball, beach volleyball, canoeing, kayaking, cycling, diving, golf, rowing, soccer, softball, swimming, triathlon, tennis, volleyball and wrestling. Golf will be played at the Chinook Golf Course which should provide the Saskatchewan athletes a home field advantage in 2019. Team Saskatchewan will consist of 5 boys and 5 girls, ages 16 and under. The age classification allows athletes to compete in future multi-sport games, such as the Canada Games 2021 at Niagara, ON. For more information on the Western Canada Summer Games click or visit <https://2019wcsg.ca/>.

North American Indigenous Games (NAIG)

PARTICIPATION – GROWING THE GAME

Future Links

Future Links, Driven by Acura, (presented provincially by SaskTel) gives children ages 6-18 the chance to enjoy and learn the game of golf via affordable and accessible programs that align and support the principles of golf's long-term player development guide, which has been endorsed by Sport Canada. More than one million junior golfers have successfully participated in Future Links, Driven by Acura programming since its inception in 1996.

Canada's Junior Golf Program

#	Programs	2015	2016	2017	2018	Boys	Girls	TOTALS

2.	Active Future Link Sites	15	15	7	18	--	--	--
3.	Learn 2 Play Sites	14	12	3	8	180	58	238
4.	Junior Skills	5	5	6	5	--	--	--

National Golf in Schools:

This program has been developed for teachers to provide students the opportunity to develop aspects of “physical literacy” related to the sport of golf. The program also increases student knowledge and appreciation for the sport of golf.

In 2018, we introduced the Future Links Golf in Schools program to 11 elementary schools, and 2 intermediate schools into the program. Golf SK's commitment to growing the sport is evident through this program. It would not be possible for Golf in Schools to have the success it has had without the school boards, schools, communities and member club's support. At the end of 2018, GIS is in 277 elementary schools, 15 intermediate schools and 51 high schools = **Total of 343.**

The focus in 2019, is for Golf Saskatchewan to contact all of the GIS sites to see how the program is working with their school, and if they would like a PGA of Saskatchewan professional or community coach to help with operating golf clinics. Contact our office for additional details.

How can we get a GIS Kit? Some of the schools contacted our office or Golf Canada and purchased kits, others were chosen to receive a kit based on school budget shortfalls and some schools have been adopted by a club, golf professional, or local golfer.

Junior Girl's Camp

Lloydminster GCC hosted a Junior Girl's focused golf camp, August 13-15, with 30 new junior girls attending the sessions. The three days were lead by coaches Marty Wheaton, Head Professional and Clinton Schiller (former Mackenzie Tour Player). The camp focusing on fundamental golf skills, motion and physical fitness, and a fun day at the aquatic centre to wrap things up. Plans are in the works for 2019 to continue and grow the camp. The highlights included some of the participants coming out to junior days and playing rounds of golf with their parents and/or grandparents. The seed of loving golf are starting to grow in Lloydminster.

A similar program Golf Saskatchewan partnered with was at Moon Lake GCC and the Swing Like a Girl program.

Other Inclusionary Programs:

THE SOLO-RIDER

Sometimes people cannot play golf due to mobility issues related to age, change in life situation, health deterioration or an accident. The Solo-Rider is turning what used to be thought of as impossibility, into a reality. Athletes who have a mobility issue can now enjoy the stable, comfortable and fun way to get back in the game.

The specialty cart enables golfers to continue to enjoy the game of golf or take it up for the first time. Golf Saskatchewan, through funding from Sask Sport Inc. and the Para-Sport grant now owns 2 Solo-Ride power-carts. The Solo-Riders are in Saskatoon, at the Silverwood GC and in Regina, at the Royal Regina GC. There is no cost to rent the Solo-Rider other than the cost of a green fee.

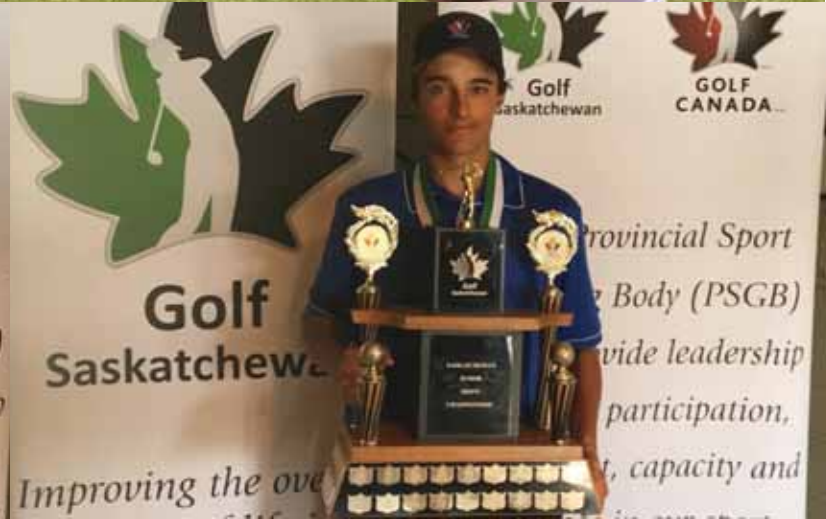

Please assist us in spreading the word about the Solo-Rider as an option for enjoying the game.

Other Groups and/or Non-Profit Organizations:

Golf Saskatchewan also partners and/or assists with the following organizations/events:

1. Saskatchewan Blind Sports Association,
2. Special Olympic Association of Saskatchewan (Nipawin),
3. MS Society of Saskatchewan – Walk for a Cure,
4. Nutrien Children's Festival of Saskatchewan,

We are open to partnering with groups to assist with mandates and assist in growing our game.

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL STATEMENTS

The accompanying financial statements of **Saskatchewan Golf Association Inc.** operating as **Golf Saskatchewan** have been prepared by the Association's management in accordance with Canadian accounting standards for not-for profit organizations and necessarily include some amounts based on informed judgment and management estimates.

To assist management in fulfilling its responsibilities, a system of internal controls has been established to provide reasonable assurance that the financial statements are accurate and reliable and that assets are safeguarded.

The board of directors has reviewed and approved these financial statements.

These financial statements have been examined by the independent auditors, **Virtus Group LLP**, and their report is presented separately.

Executive Director

President

INDEPENDENT AUDITORS' REPORT

To the Members, Golf Saskatchewan

Opinion

We have audited the accompanying financial statements of **Saskatchewan Golf Association Inc.** operating as **Golf Saskatchewan** which comprise the statement of financial position as at December 31, 2018, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Association as at December 31, 2018 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Saskatchewan, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

INDEPENDENT AUDITORS' REPORT continued

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

GOLF SASKATCHEWAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018
(with comparative figures for the year ended December 31, 2017)

1. Description of operations

Saskatchewan Golf Association Inc. ("Golf Saskatchewan" or the "Association") was incorporated under the *Non-profit Corporations Act, 1995* of Saskatchewan. The Association promotes and coordinates amateur golf in the province of Saskatchewan. The Association is exempt from income taxes under Section 149(1)(l) of the *Income Tax Act*.

2. Summary of significant accounting policies

The financial statements required management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the period in which they become known. These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The financial statements reflect the following policies:

Financial instruments – recognition and measurement

Financial assets and financial liabilities are recorded on the statement of financial position when the Association becomes party to the contractual provisions of the financial instrument. All financial instruments are required to be recognized at fair value upon initial recognition, except for certain related party transactions. All other financial assets, except for investments, and financial liabilities are subsequently measured at amortized cost adjusted by transaction costs, which are amortized over the expected life of the instrument. Investments are measured at fair value.

Fair value is the amount at which a financial instrument could be exchanged at arm's length between willing, unrelated parties in an open market. Changes in fair values of financial assets and financial liabilities measured at fair value are recognized in excess of revenues over expenses.

When there is an indication of impairment and such impairment is determined to have occurred, the carrying amount of financial assets measured at amortized cost is reduced to the greater of the discounted cash flows expected or the proceeds that could be realized from sale of the financial asset. Such impairments can be subsequently reversed if the value subsequently improves.

Inventory

Inventory is recorded at the lower of cost and net realizable value. Cost is determined based on the weighted average method.

Tangible capital assets

Tangible capital assets are recorded at cost less accumulated amortization. Amortization is provided on a declining balance basis over the estimated useful life of the assets at the following annual rates:

Computers	40%
Equipment	30%
Furniture & fixtures	30%

2. Summary of significant accounting policies (continued)

Funds

The Golf Hall of Fame fund is an internally restricted fund established to hold funds raised in support of a Saskatchewan golf hall of fame.

Revenue recognition

The Organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable, if the amount can be reasonably estimated and collections are assured. Revenues received from the Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation are recorded as revenue in year to which the funding relates. Investment revenue is recognized as it is earned.

Donations in kind

Donations of material and services are recorded at fair market value when received if the amount can be reasonably estimated and would otherwise have been purchased.

Contributed services

The work of Golf Saskatchewan is dependent on the services of many volunteers at amateur events as well as for the governance council and various committees. Since these services are not normally purchased and because of the difficulty in determining their fair value, donated services are not recorded in the statement of operations.

Total long term investments	\$ 412,136	\$ 423,818

The RBC A+ Unified Managed Account is a structure which provides access to multiple investment managers within one account. The asset allocation of the account is set at 45% equities and 55% fixed income, with an emphasis on high quality securities, income generation, downside protection and capital preservation.

At December 31, 2018, the asset allocation in the account was \$15,929 in cash, \$220,479 in fixed income and \$166,940 in equities.

At December 31, 2017, the asset allocation in the account was \$15,108 in cash, \$218,106 in fixed income and \$182,293 in equities.

5. Sport Legacy Fund

The cash surrender value of the life insurance policy and investment in the Sport Legacy Fund consists of donations based on various programs and contributions by Sask Sport. These amounts are recorded as deferred revenue until amounts have been received. To qualify for an additional contribution by Sask Sport Inc., the Association is required to leave the original amount and any additional donations in the Legacy Fund for a minimum of five years.

6. Deferred revenue

During 2018, the Association received \$206,150 from the Saskatchewan Lotteries Trust Fund for expenses which will occur in the following fiscal year (2017 – \$204,000). Deferred revenue includes the funds invested with the Sport Legacy Fund of \$8,788 (2017 – \$8,311).

7. Economic dependence

Golf Saskatchewan currently receives revenue in grants from Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation. As a result, the Association is dependent upon the continuance of these grants to maintain operations at their current level.

8. Financial Instruments

The Association recognized financial instruments consist of cash, accounts receivable, accounts payable and accrued liabilities and investments. The fair value of cash, accounts receivable, accounts payable and accrued liabilities and investments, approximate their carrying value given the short-term nature of the amounts.

GOLF SASKATCHEWAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018
(with comparative figures for the year ended December 31, 2017)

9. Financial risk management

The significant financial risks to which the Association is exposed are:

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Association is exposed to credit risk on the accounts receivable from its customers, however, does not have a significant exposure to any individual customer or member. The Association incurred \$3,845 in bad debt expense in the current year (2017 - \$860). The Association's customers are mainly members of the Association.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Association's exposure to liquidity risk is dependent on the receipt of funds from its operations and other related sources. Funds from these sources are primarily used to finance working capital and capital expenditure requirements and are considered adequate to meet the Association's financial obligations.

Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Association's investments in publically traded securities expose the Association to market price risk as such investments are subject to price changes in the open market. The Association does not use any derivative financial instruments to alter the effects of this risk.

10. Contributed materials

During the year the Association received donated golf products estimated to be valued at \$20,000.

11. Comparative figures

Certain comparative figures have been reclassified to conform with the presentation in the current year.
