MESSAGE FROM THE PRESIDENT

On behalf of the Board of Directors and the Staff of Golf Saskatchewan, welcome to the 2017 Annual General Meeting. The past year has been very successful for our member clubs, members, and staff, and we are very excited to share that news with everyone today.

Golf Saskatchewan continues to work very hard to align our strategy with our partners at Golf Canada, and we are working in collaboration with them on many initiatives and programs that are being delivered to our member clubs across the Province.

I would also like to recognize Sask Sport Inc. for the contributions they make Golf Saskatchewan and our member clubs through the Membership Assistants Program (MAP). We are very fortunate to have this partnership, and I would like to thank them for the continued support they give Golf Saskatchewan and the other Sport, Culture and Recreation groups in the province.

Our Championships that we host in Saskatchewan are a core function of our Association, and I would like to thank all the players who participate in our Championships. I would also like to thank all our member clubs that partner with Golf Saskatchewan, to allow us the opportunity to host best in class Championships. We are very excited about what 2017 is going to bring, especially with the

opportunity to host the Canadian Men's Mid-Amateur Championship at the Wascana Country Club in late August.

Our volunteers are the lifeblood of our association, and I would like to recognize those individuals who work tirelessly for Golf Saskatchewan. Our rules officials, course raters, on course volunteers, and tournament support teams, that give our staff the assistance they need to deliver the great services that come out of our office. We would not be able to do the work we do, without the magnificent work of our volunteers.

We are always looking at new and innovative ways to strengthen our partnership with the Saskatchewan Turfgrass Association, the PGA of Canada/Saskatchewan, and the Saskatchewan Golf Hall of Fame. These associations play a key role in the success of Golf in Saskatchewan, and we are very proud to work with them to grow this great game we all love.

As an Association, we are very proud to have the terrific office staff. I would like to thank Brian Lee, Candace Dunham, Dwayne Yachiw, Aubrey Shanofer, Mikaela Spooner and Spencer Ewen for the success that was achieved in 2016, and your dedication and passion to grow the game of Golf in our Province. I look forward to working with you all in 2017, and achieving more success for Golf Saskatchewan.

I have truly enjoyed this opportunity to serve as the President of Golf Saskatchewan in 2016, and would be honored to lead this Association again in 2017.

Respectfully submitted,

Kyle Mulligan,
President, Golf Saskatchewan and
Proud Volunteer of Golf Canada & Golf SK

MESSAGE FROM THE EXECUTIVE DIRECTOR

I welcome you all to the 2017 Annual General Meeting of Golf Saskatchewan. The 2017 official golf season started April 15th.

- **Golf in Schools:** We are now in more than 40% of the schools in Saskatchewan.

The successes in 2016 can be attributed to the many dedicated volunteers and a professional staff who keep our organization running effectively. The volunteers serve in areas not limited to Course Rating, Financial Management, Handicapping, Programs &

Member Services, Rules, Sport Development, Tournaments, and Policy/Governance with the Board of Directors.

For the volunteers listed in this report under committees, we thank you for your direct and indirect contributions to golf. The information gathered is added to the input from all golf enthusiasts from across the province, Canada and Internationally to allow us to learn, adapt and grow our sport. A point of note from the Golf Canada AGM in February 2017, **"ESPRI DE CORPS,"** the Volunteers don't just do the work, they make it work.

The board and staff strive for continuous improvement year after year, and it is accomplished by following our strategic plan. Our collective efforts over the past 14 months has narrowed our focus on four areas:

(see picture below for Golf House Saskatchewan):

1. Growing Participation
2. Ensuring Excellence
3. Expanding Capacity
4. Fostering Interaction

Looking forward, I see continuing collaborative partnerships with Golf Canada, other Provincial Golf Associations and the National Allied Golf Association members (NAGA) to propel the game of golf forward. The goal of all golf associations is to work together to increase participation, while increasing membership value and attracting new golfers to the sport.

Thank you to:

- The golfing community in SK for supporting our association,
- The member clubs for hosting our Provincial, Regional and National Championships,
- The competitors who challenge themselves at our events and continue to come back year after year,
- To our partners & sponsors; Sask Lotteries, Sask Sport, Golf Canada, PGA of SK, Saskatchewan Turf-grass Association, the NAGA/PAGA partners, the media, and the others listed in the report
- Tourism SK as well as the other tourism organizations who strive to attract visitors to

play the abundance of wonderful golf course our province,

- Our President, Kyle Mulligan for his leadership this past year,
- Our Board of Directors and all the committees for all their past, present and future efforts,
- Our volunteers who graciously give their time to advance our sport,
- My staff and colleagues:
 - Candace Dunham, Manager of Member Services
 - Dwayne Yachiw, Manager of Sport Development & Championships

Together with the volunteers and staff of Golf Saskatchewan, I want to personally thank the all the golfers (members and non-members), club facilities, golf professionals, general managers, sponsors, partners, and industry friends who shared in the success of the 2016 golf season.

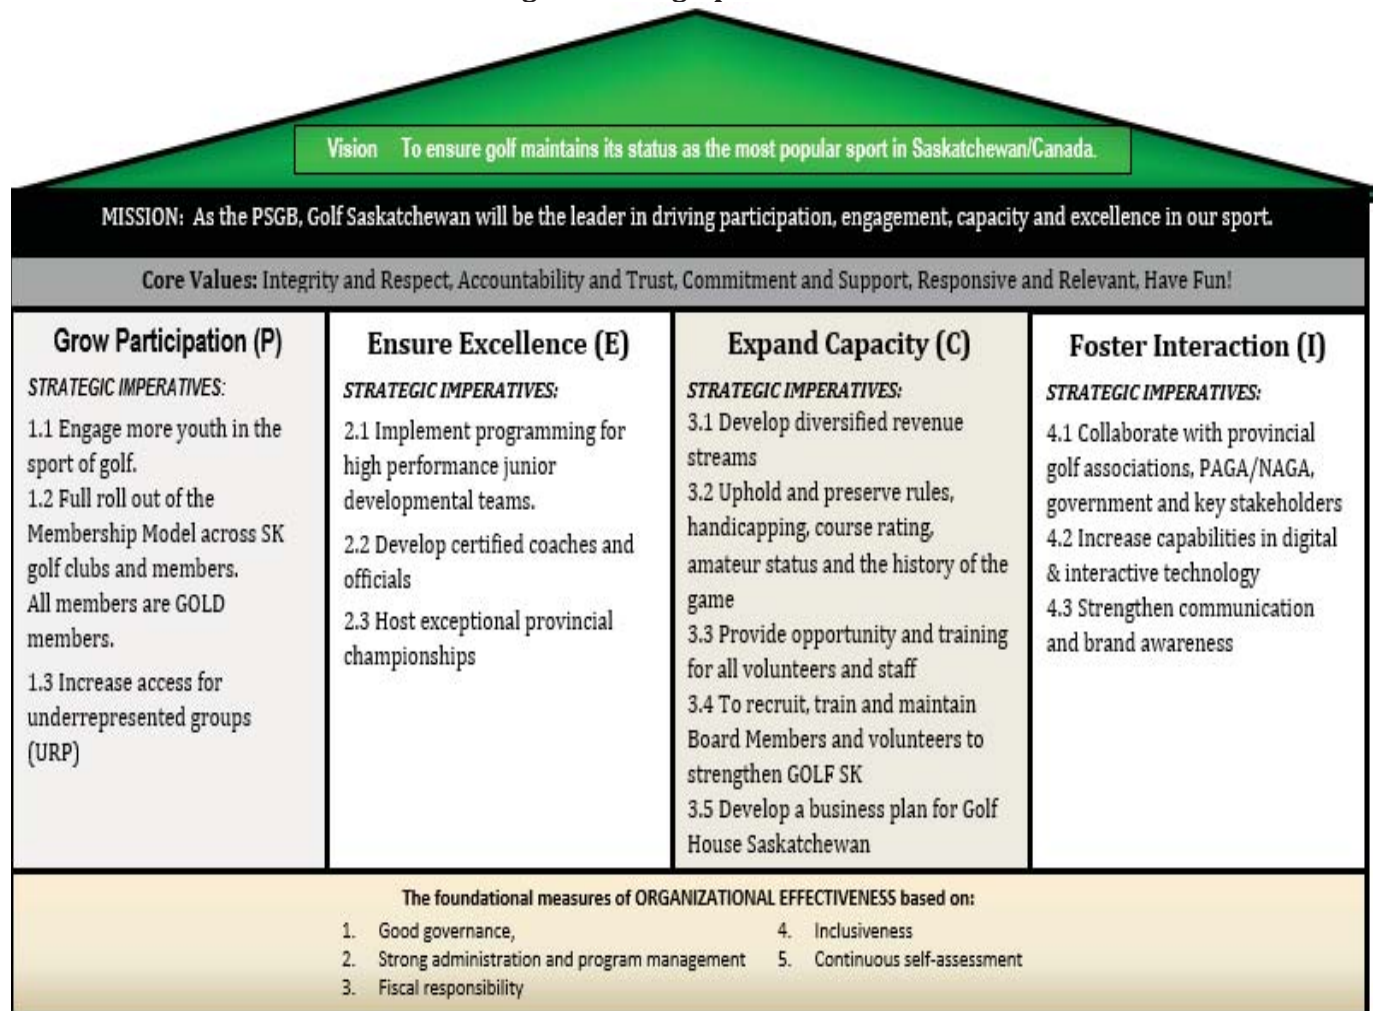

As we start the 2017 season, let's remember to celebrate the moments and the people who fuel our passion for the greatest social game every created.

Golf fore the Cure

Since its inception in 2004, *Golf fore the Cure*, is aimed to grow women's participation in the game of golf by introducing them to the game through fun, non-intimidating activities. Through a unique partnership structure with the Canadian Cancer Society the program has women across the country participate in golf activities raising money in the fight against breast cancer.

Even if you are not a golfer there is no better chance for you to learn the game and have fun doing it. Be a part of this cause – volunteer to run an event or be a participant and help make a difference!

Since 2004 more than \$5.9 million has been raised. Thank you to everyone who organized, participated, and donated to the local clubs and organizers. We thank those who participated and hope you hold events again in 2016 and beyond.

I am pleased to present the financial report for 2017 for the year ending Dec 31st, 2016. The firm of VIRTUS GROUP has completed the annual audit of the financial statements of Golf Saskatchewan and in their opinion management maintains a sufficient and appropriate system of internal accounting controls to ensure the transactions are accurately recorded on a timely basis, are properly approved and result in reliable financial statements. Management and the Board of Directors acknowledge the financial statements are their responsibility.

The Finance Committee, composed of members of the Board of Directors, meets with the management of Golf Saskatchewan to ensure accuracy of the associations financial reports. The Board of Directors has voted to approve the financial statements as presented in the Appendix I of the annual report.

Financial highlights:

- i. **Revenues** increased approximately 7% or \$60,000 from the previous year.
 - o Several grants were successfully received, increase in Sask Sport Funding, championship participation was up and membership dues increased.
- ii. **Expenses** decreased approximately 1% or \$5,000 from the previous year.
 - o Decrease in Marketing & Promotional Expenses as well as meeting expenses

The Expenses are detailed below:

- iii. **Administration (Schedule 3)** basically flat 0% or \$950.
 - o A normal year of operations.
- iv. **Capacity and Interaction (Schedule 4)** decreased approximately 12% or \$5,700.
 - o Savings in the Marketing & Promotion and Golf SK meetings.
- v. **Participation and Interaction (Schedule 5)** increased approximately 1% or \$900.

 - o Officials development expenses were less for the Rules of Golf Seminar
- vi. **Excellence (Schedule 6)** increase approximately 13% or \$12,00.
 - o We spent more on national championships and athlete assistance in 2016 due to the location of 3 national championships.
 - o More money was invested in Coaching Development & Training Opportunities in 2016

The overall result is a **\$58,931 surplus** of revenues over expenses and therefore an increase in the reserves (unrestricted net assets).

NOTES:

1. At the time of budgeting, the board and management does not include any grant revenues unless they have officially been announced and received by the office.
2. In 2016, the Board of Directors approved a strategic deficit budget of **\$4,174** (with expenses totaling \$888,774 compared to revenues of \$884,600). An approved deficit budget does not impact Golf SK's overall financial position due to our strong reserve funds and no interest is accounted for in our general operating funds.
3. On the next page please view the approved high-level budget for 2017 and a snapshot of the strategic draft budgets for 2018 & 2019.

Thank you to the Golf Saskatchewan staff, Board of Directors and the Finance Committee for their contributions during the past year.

Todd Bergstresser, Chair of Finance Committee

HANDICAP COMMITTEE

Purpose of the Golf Canada Handicap System

The purpose of the *Golf Canada Handicap System* is to make the game of golf more enjoyable by enabling players of differing abilities to compete on an equitable basis. The System provides a fair *Golf Canada Course Handicap* for each player, regardless of ability, and adjusts a player's *Golf Canada Handicap Factor* up or down as the player's game changes.

An essential element of the *Golf Canada Handicap System* is the requirement that each *Golf Canada Member golf club* that issues *Golf Canada Handicap Factors* must have a *Handicap Committee* to ensure the integrity of the *Golf Canada Handicap Factors* issued by the Club.

Golf Canada (Score Centre Mobile) By GolfNet

Post your golf scores, look up a golfers' handicap factor(s), find golf courses in Canada, compute your course handicap and more. If you haven't downloaded the app for your iPhone or Android device, do so in 2017. You could get rewarded just for posting a score.

Handicap Seminars, Education and Licensing Agreements

As of 2016 there are two ways a club or individual can become certified under the handicap system:

1. is to attend a seminar in person, or
2. register and take the online handicap seminar on the Golf Canada website

10 members attended the Handicap Seminars held in Saskatoon and Regina on May 28th and 29th, 2016. Of the 10 people who challenged the exam, everyone received their certification. We also had 3 people take the ONLINE Handicap Seminar and all people passed the exam. The online seminar does have a cost however it is MAP Grant eligible.

In 2017, Handicap Seminars will again be held in Regina and Saskatoon on May 27th and 28th respectively. The office will notify member clubs who requiring recertification/certification and those who are required to sign the Handicap Licensing Agreement.

Golf SK has not met its goal of having 100% certification of all our member clubs however we are targeting an increase by the end of 2017. If your club has a certified Handicap Committee member, we would like more members to become certified, please

Increased Integrity in Handicapping

Handicapping is at the very core of equitable competition in amateur golf and few sports enable players to compete as equitably as golf. Handicapping is one of the Golf Saskatchewan's principal member services since the inception of our association back in 1913. All golfers who belong to Golf SK/Golf Canada through one of our member clubs or Public Player Program are eligible to receive an "Official" Handicap Factor.

Active Season and Posting of Scores

Florida/Texas/Arizona in December). For more information consult the most recent Golf Canada Handicap System Manual.

RULES COMMITTEE

Member Club Rules Clinics

6 member clubs hosted a member club rules clinic in 2016. These sessions conducted at golf courses for the benefit of members, and are intended to familiarize golfers with the most frequently encountered rules situations and proper procedures. These seminars take the golfer from tee to green, covering the Rules an average golfer will encounter. If you have a "What If Question ..." or "What Happens When ..." the Member Club Rules Clinics is for you.

Golf Rule of the Week

Since 2009, to educate golfers on a variety of areas of the game we circulated a Golf Rule of the Week to all provincial media and interested people. The Rule of the Week has grown over the past 8 years and is now shared with more than 3,000 people with greater than a 52% open/read rate. The Rule of the Week will continue in 2017 and will be in your inbox starting the week of April 15th. Remember – the Rules Matter!

Rules Education

Starting your Rules Education Level 1 and 2

Please note if you are interested in the starting your Rules of Golf education and progressing through the Golf Canada Rules Educational Pathway, please visit www.golfcanada.ca and select Rules. You don't have to be an expert on the rules, just show some interest. As there is a new code of Rules and Decisions there are a few items to review.

Provincial Level 3 Rules of Golf Seminar

SPORT DEVELOPMENT & CHAMPIONSHIPS COMMITTEE

Coaching & Sport Development

The PGA of Canada's coaching program is developed in partnership with Golf Canada and the Coaching Association of Canada (CAC). The PGA of Canada is one of 67 sports participating in the National Coaching Certification Program (NCCP), representing coaching and instructing excellence in Canada.

The PGA of Canada's NCCP is delivered with the goal providing coaches with the best practical experience in an optimal learning environment. As in any sport, athletic accomplishment and coaching are separate skillsets. Being a good athlete or accomplished golfer does not necessarily give an individual the skills for being an effective coach. The PGA of Canada's certification recognizes that a coach's teaching, technical and coaching skills all meet an internationally recognized standard for coaching practice. The PGA of Canada's NCCP is broken into three streams: Community Stream, Competition Stream, and Instruction Stream.

Golf SK has made Coaching a strategic imperative and we have contracted the services of Jason Schneider (CDC) and Amanda Minchin (CC facilitator) to be the coaching leaders for our province and work with our High Performance Development team.

HIGH PERFORMANCE - EXCELLENCE

High Performance Development Team - Easter Golf Camp

The 2016 golf season kicked off with the Easter Golf Camp back to Crown Isle Golf Club. Twelve junior players from across Saskatchewan attended the camp instructed by Coaches, Amanda Minchin and Jason Schneider. The feedback from the participants, parents and coaches was positive and was implemented into the plans for the 2017 camp. Many of the participants from 2016 joined the Golf Saskatchewan High Performance Development team (HPDT).

The 2017 Easter Golf Camp will be held at the Pheasant Glen Golf, Qualicum Beach BC. The participants are part of the Golf SK High Performance Development Team. The team started training in 2016 and will focus their efforts towards the 2017 Canada Summer Games and beyond. Although only part of the Development Team made it to BC, our Canada Games Team will be selected from members of the HP Development Team only.

The HPDT is a strategic change that can be expanded to additional Excellence programming moving forward. This is a fundamental change from our "traditional way" of doing things as we continued to do the same thing over and over again, expecting a different outcome.

National Athlete Assistance

The Sport Development Committee believes in our athletes competing and excelling at the highest levels. In 2013, the Athlete Assistance Program was revamped from an application process to an earned program. Following our Provincial Championships, athletes who qualify to attend nationals, either on teams/quota spots, are eligible to receive funding. The amount of subsidy is determined on an annual basis, however, more dollars are allocated towards players who make the team spots. In 2016, \$15,500 was provided in NAA along with \$40,000 in National Championship funding.

SAGE Scholarships

The program annually presents scholarships to assist deserving member golfers in their pursuit of high school and post-secondary academic excellence. The successful recipients are selected on their basis of academic excellence as well as some weighting of their golf participation. The two organization who pay the scholarship amounts are Golf Saskatchewan and the Saskatoon Community Foundation. Last year more than \$12,500 was awarded to 14 student athletes.

The golf venue will be at the Southwood GCC.

The 2017 Canada Games will be one of the first competitions for the Golf Saskatchewan Development Team coached by Jason Schneider and Amanda Minchin. We hope to see positive results from more than one year of training, conditioning and championship preparation. Our best athletes from the program will represent Saskatchewan proudly.

North American Indigenous Games (NAIG 2017)

The 2017 planning for the North American Indigenous Games tryouts continues for Team Saskatchewan. The plan is to have two more work session with Golf Saskatchewan Coach, Jason Schneider, followed by a final selection competition in May. The team will then head for Toronto in August to take part in one of the largest Multi-Sport Games in North America.

Saskatchewan did well at the NAIG 2014 in Regina and we are looking to repeat these performances. More information about the athletes and games will be posted on the Golf Saskatchewan website.

Training costs are shared through funding from Sask Sport Inc. and the Aboriginal Sport Enhancement Project (ASEP).

Western Canada Summer Games

GRASSROOTS DEVELOPMENT

Future Links

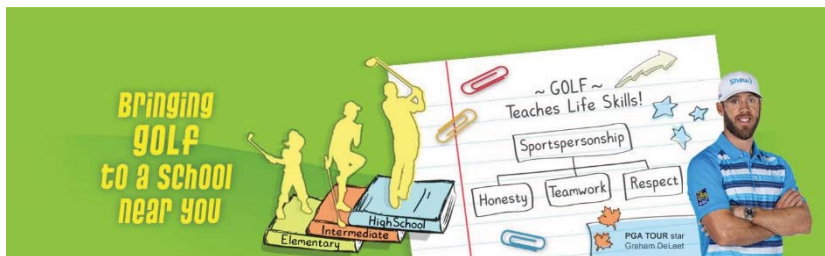

Future Links, Driven by Acura gives children ages 6-18 the chance to enjoy and learn the game of golf via affordable and accessible programs that align and support the principles of golf's long-term player

development guide, which has been endorsed by Sport Canada. More than one million junior golfers have successfully participated in Future Links, Driven by Acura programming since its inception in 1996. The highlights from the 2016 Future Links program (which was sponsored by CN):

National Golf in Schools:

This program has been developed for teachers to provide students the opportunity to develop aspects of “physical literacy” related to the sport of golf, and increase student knowledge and appreciation for the sport of golf.

In 2009, the National GIS program was a pilot in 15 elementary schools. As of 2016, there are 248 elementary schools, 6 intermediate schools and 50 high schools participating bringing the total to 304. This is an increase of 30 schools compared to 2015. We are currently in 40% of the 755 schools in Saskatchewan.

Golf SK's commitment to growing the sport is evident through this program. It would not be possible for Golf in Schools to have the success it has had without the school boards, schools, communities and member club's support.

How to get a GIS Kit? Some of the schools contacted our office and purchased kits, others were chosen to receive a kit based on school budget shortfalls and some schools have been adopted by a club or golf professional.

Healthy Lifestyle and Drug Awareness Days

In November each year, Golf Saskatchewan and Saskatoon Minor Hockey share a booth at the Prairieland Park to participate in the Healthy Lifestyles and Drug Awareness Days. More than 2,000 children grade 7-8 participate in the two-day session put on by the Saskatoon Police Services. We participate to show golf is a fantastic way to stay active, involved and decrease the chances of participating in high risk activities.

SoloRider

Sometimes people cannot play golf due to mobility issues related to age, change in life situation, health deterioration or an accident. The SoloRider is turning what used to be thought of as impossible into a reality. Athletes who have a mobility issue can now enjoy the stable, comfortable and fun way to get back in the game. The specialty cart enables golfers to continue to enjoy the game of golf. It allows the user access to:

The SoloRider and it is located at the Silverwood GC in Saskatoon. As of October 2016, 14 separate individuals used the cart at various times during the season including some who used it more than 8 rounds. There is no cost for the SoloRider other than the cost of a green fee. The staff at Silverwood GC will provide a quick tutorial for anyone wishing to use it. The City of Saskatoon also endorses the use of the cart as it is an inclusionary item for people with mobility impairments.

UPDATE: A second cart was purchased late in 2016 and will be located at the Royal Regina GC in 2017. We are looking forward to seeing the results of having two carts in 2017 and beyond.

INDEPENDENT AUDITORS' REPORT

To the Members, Golf Saskatchewan

We have audited the accompanying financial statements of **Saskatchewan Golf Association Inc.** operating as **Golf Saskatchewan** which comprise the statement of financial position as at December 31, 2016, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Association as at December 31, 2016 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

GOLF SASKATCHEWAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2016
(with comparative figures for the year ended December 31, 2015)

1. Description of operations

Saskatchewan Golf Association Inc. ("Golf Saskatchewan" or the "Association") was incorporated under the Saskatchewan Non-Profit Corporations Act of Saskatchewan. The Association promotes and coordinates amateur golf in the Province of Saskatchewan.

2. Summary of significant accounting policies

The financial statements required management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the period in which they become known. These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The financial statements reflect the following policies:

Inventory

Inventory is recorded at the lower of cost and net realizable value. Cost is determined based on the weighted average method.

Tangible capital assets

Tangible capital assets are recorded at cost less accumulated amortization. Amortization is provided on a declining balance basis over the estimated useful life of the assets at the following annual rates:

Computers	40%
Equipment	30%
Furniture & fixtures	30%

Revenue recognition

The Organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable, if the amount can be reasonably estimated and collections are assured. Revenues received from the Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation are recorded as revenue in year to which the funding relates.

Donations in kind

Donations of material and services are recorded at fair market value when received if the amount can be reasonably estimated and would otherwise have been purchased.

(with comparative figures for the year ended December 31, 2015)

2. Summary of significant accounting policies (continued)

Financial instruments – recognition and measurement

Financial assets and financial liabilities are recorded on the statement of financial position when the Association becomes party to the contractual provisions of the financial instrument. All financial instruments are required to be recognized at fair value upon initial recognition, except for certain related party transactions. All other financial assets, except for investments, and financial liabilities are subsequently measured at amortized cost adjusted by transaction costs, which are amortized over the expected life of the instrument. Investments are measured at fair value.

Fair value is the amount at which a financial instrument could be exchanged at arm's length between willing, unrelated parties in an open market. Changes in fair values of financial assets and financial liabilities measured at fair value are recognized in excess of revenues over expenses.

When there is an indication of impairment and such impairment is determined to have occurred, the carrying amount of financial assets measured at amortized cost is reduced to the greater of the discounted cash flows expected or the proceeds that could be realized from sale of the financial asset. Such impairments can be subsequently reversed if the value subsequently improves.

3. Tangible capital assets

The RBC A+ Unified Managed Account is a structure which provides access to multiple investment managers within one account. The asset allocation of the account is set at 45% equities and 55% fixed income, with an emphasis on high quality securities, income generation, downside protection and capital preservation.

GOLF SASKATCHEWAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2016
(with comparative figures for the year ended December 31, 2015)

4. Investments (continued)

At December 31, 2016, the asset allocation in the account was \$10,892 in cash, \$152,244 in fixed income, \$172,402 in common shares, \$57,770 in mutual funds and \$11,526 in foreign securities.

At December 31, 2015, the asset allocation in the account was \$13,100 in cash, \$147,100 in fixed income, \$151,400 in common shares, \$56,900 in mutual funds and \$12,100 in foreign securities.

5. Sport Legacy Fund

The cash surrender value of the life insurance policy and investment in the Sport Legacy Fund consists of donations based on various programs and contributions by Sask Sport. These amounts are recorded as deferred revenue until amounts have been received. To qualify for an additional contribution by Sask Sport Inc., the Association is required to leave the original amount and any additional donations in the Legacy Fund for a minimum of five years.

6. Deferred revenue

During 2016, the Association received \$198,200 from the Saskatchewan Lotteries Trust Fund for expenses which will occur in the following fiscal year (2015 – \$193,900). Also, deferred revenue includes the funds invested with the Sport Legacy Fund of \$7,811 (2015 – \$3,931).

7. Economic dependence

Golf Saskatchewan currently receives revenue in grants from Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation. As a result, the Association is dependent upon the continuance of these grants to maintain operations at their current level.

8. Income taxes

No provision for income taxes has been made in these financial statements as the Association is a non-profit organization and is exempt from income taxes under Section 149(1)(l) of the *Income Tax Act*. To the extent the Association maintains its non-profit status, no income taxes are expected to be payable.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2016
(with comparative figures for the year ended December 31, 2015)

9. Financial risk management

The significant financial risks to which the Association is exposed are:

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Association is exposed to credit risk on the accounts receivable from its customers, however, does not have a significant exposure to any individual customer or member. The Association incurred \$716 in bad debt expense in the current year (2015 - \$7,519), but the expense in 2013 and 2014 was insignificant. Its customers are mainly members of the Association.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Association's exposure to liquidity risk is dependent on the receipt of funds from its operations and other related sources. Funds from these sources are primarily used to finance working capital and capital expenditure requirements, and are considered adequate to meet the Association's financial obligations.

Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Association's investments in publically traded securities expose the Association to market price risk as such investments are subject to price changes in the open market. The Association does not use any derivative financial instruments to alter the effects of this risk.

10. Comparative figures

Certain comparative figures have been reclassified to conform to the presentation in the current year.
