MESSAGE FROM THE PRESIDENT

Welcome to the Golf Saskatchewan 2022 Annual General meeting. It has been an honour and a privilege to lead this organization throughout the year. I am particularly proud of the outstanding support and dedication of the fine group of individuals who comprise our Board of Directors, and more importantly the staff, Brian Lee, Candace Dunham, Steve Ryde, Clark Stork and our summer interns, Griffin MacLeod and Carson Olson, who so diligently carry on the day-to-day operation of our organization and execute on the Strategic Plan throughout the year.

I believe, as you go through this report, you will agree 2021 was an extremely successful year for golf in Saskatchewan during difficult times. Our members are continuing to get used to the new World Handicap System and modified Amateur Status Rules which were adopted in January of 2022.

Thank you to the following important organizations; Sask Sport Inc. our funding partner, our many sponsors, member golf clubs, individual members, and public player members, who provide the funding for our tournaments, programs and services. We simply would not exist without you.

We were able to schedule and host all our competitions in 2021. Thank you to all the participants who teed it up this past year. I was able to attend most of the provincial competitions this year, as the President or a competitor, and am amazed by the talents of our competitors. Championship records were broken, participant numbers were up, and it bodes well for Saskatchewan seeing the young talent in our competitions. 2021 saw another increase in rounds played in Saskatchewan and scores posted to the Golf Canada Score Centre.

We are excited to announce two new competitions in 2022 in addition to our traditional events. A Four-Ball Championship in May and the Champions Cup in September. Details of the Champions Cup will be announced later in the spring.

I would like to thank all our hardworking and dedicated volunteers. The course raters, rules officials/referees, on course volunteers, tournament volunteers that provide the means and assistance for our golf services and programs. Support from our member clubs hosting our events has been phenomenal.

We are a proud partner of Golf Canada and following their leadership will continue to expand our programs while focusing on equity, diversity, and inclusion as well as safe sport in all that we do.

Once again, thanks to our members, volunteers, and staff for advancing the sport of golf in Saskatchewan.

Yours in golf,

Larry Wagman – President, Golf Saskatchewan and proud volunteer of Golf Canada and Golf Saskatchewan.

EXECUTIVE DIRECTOR / CEO MESSAGE

I welcome you all to the 2022 virtual annual general meeting of the Saskatchewan Golf Association Inc. operating as Golf Saskatchewan. Before we hit the links in 2022, here are some memorable highlights from the 2021 golf year:

- 🌿 **Elk Ridge Open:** following a brief hiatus, professional golf returned to Saskatchewan. The PGA Tour Canada and the ownership/management of Elk Ridge Resort announced a multi-year partnership. This was an exciting time for our game with an opportunity for many of our top amateur and professional players to see how their games stacked up against world class competition.
- 🌿 **Celebrating Volunteers:** thank you to the numerous volunteers who assisted with our association's activities during the second summer in a COVID-19 landscape.
- 🌿 **Provincial Championships:** thank you to all our host venues and competitors who teed it up this past year.
- 🌿 **Inclusive Golf Activities:** prior to the pandemic, we were moving towards a more inclusive series of golf activities. In 2022, we look forward to fostering our relationships with the Special Olympics chapter golf events, Para-Golf activities, blind golf, and other under-represented groups.
- 🌿 **Membership:** During the second year of the pandemic, our

membership number in Saskatchewan remained strong and we had clubs and leagues return in 2021. We are anticipating another strong 2022 golf season.

- 🌿 **Coaching & Instruction:** we continue to invest in the development of our coaching initiatives with Steve Ryde and other PGA of Saskatchewan coaches across the province. Whether it is a young player or a veteran player wanting to improve, we assist in fostering a relationship with all experts, to make the game more enjoyable for everyone.

- 🌿 **Rounds Played & Posted:** Our membership posted a record number of scores in 2021 (255,000 rounds).

The successes in 2021 can be attributed to the many dedicated volunteers, and our professional staff, who keep our organization running effectively. A few **thank you notes** to the following:

- 🌿 our President, Larry Wagman for his leadership in 2021 and the rest of the Executive Committee,
- 🌿 our Board of Directors for all their past, present, and future contributions,
- 🌿 to Golf Canada, Liz Hoffman President, Laurence Applebaum – CEO, and the rest of the Golf Canada's Board of Directors, volunteers and staff in playing a large part in growing golf in nationally and in Saskatchewan,
- 🌿 to the competitors who challenge themselves annually at our championships,
- 🌿 to our partners/sponsors (listed in the report) and the contributions to the amateur game assisting us in delivering quality programming, services, and events,
- 🌿 to our volunteers who graciously give their time to advance our sport, and a special thank you to those volunteers who have given more than 20 years of service to our organization,
- 🌿 to all the parents in the Sask. Junior Golf Fundraising Committee, headed by Rob Kozak,
- 🌿 to the PGA of Saskatchewan members who strive to make us better for us all and enjoy the game more, and my staff from 2021; | Candace Dunham, Manager Member Services | Steve Ryde, Manager Sport & Championships | Clark Stork, Director of Communications | Interns - Carson Olson and Griffin MacLeod

I am proud of what Golf Saskatchewan achieved across our many operational and strategic areas in 2021 and we look forward to hopefully seeing you all on the links in 2022. Please have fun while keeping it in play and on the short grass!

Respectfully submitted,

A handwritten signature in cursive script that reads 'Brian C. Lee'.

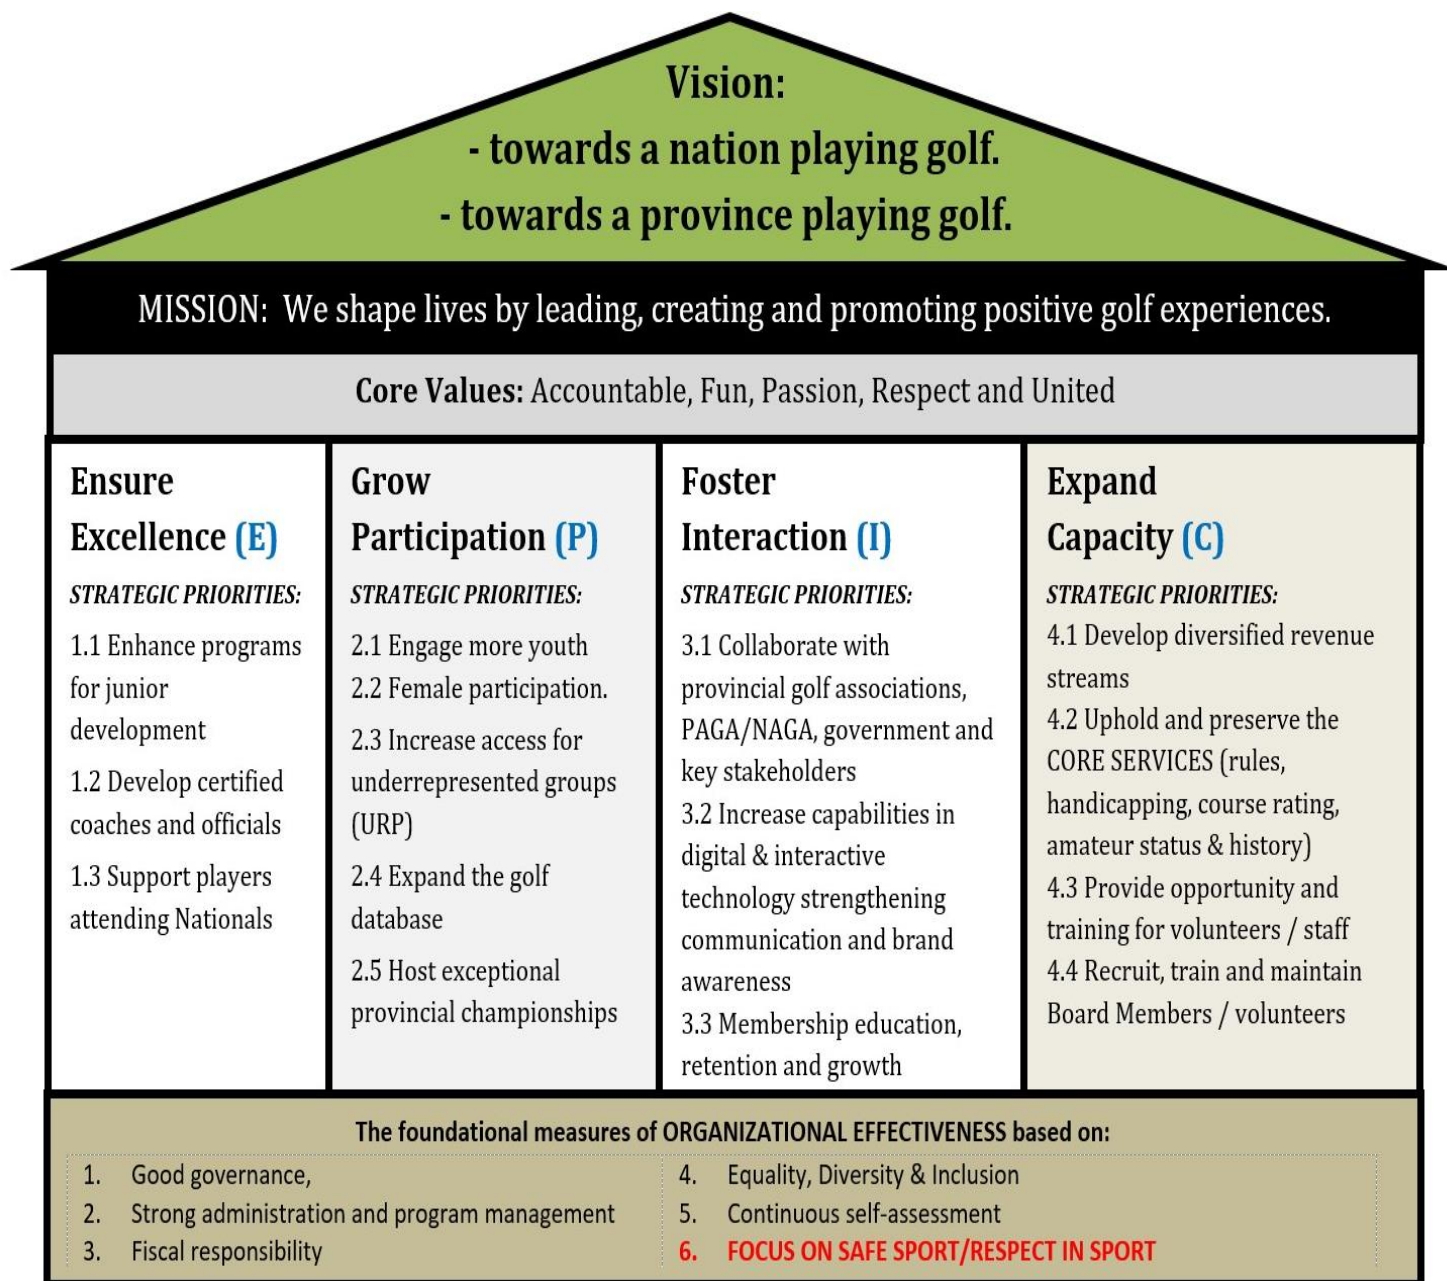

Brian Lee, Executive Director | CEO | Proud Member of Golf Canada & Golf SK

STRATEGIC PLAN OVERVIEW

Golf Saskatchewan continues to focus on the four main areas of our Strategic Plan and the foundational measurements:

1. Ensuring Excellence
2. Growing Participation,
3. Fostering Interaction
4. Expanding Capacity.

Looking forward using our Strategic Plan, I see continuing the collaborative partnerships with Golf Canada, other provincial golf associations and industry stakeholders to propel the game of golf forward. The goal of all golf associations is to increase participation, increasing member values and attracting new golfers to the sport. We will continue to work on measures for diversity & inclusion, Safe Sport, and the Respect in Sport programming.

Golf Course Visitation Program

Golf course visitations have always been a great way to build and maintain relationships with our member clubs. Prior to the COVID-19 pandemic in 2020, we were focused on continuing golf course visitations, with a combination of visiting member and non-member clubs. The global pandemic stopped the visitation program immediately.

For the second year, our in-person Course Visitation program was paused for safety reasons, and we continued to use the virtual method to deliver our service meetings. When it is safe to continue with club visitations, we will contact clubs on our visitation schedule two weeks prior to the visit to ensure we are able to meet with the appropriate contacts for the course.

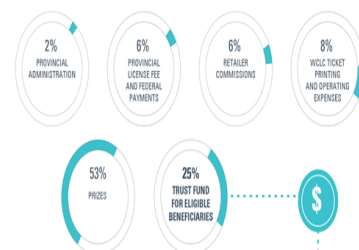

In 2022, we are planning on bringing back the in-person club visits but we are available to meet online if a member club chooses the option.

Membership Assistance Program (MAP Grants)

The purpose of the Membership Assistance Program (MAP) grant is to provide financial assistance to Golf Saskatchewan registered affiliated clubs so they may operate programs encouraging and promoting community and club level sport development in their local area. Development of these programs and services will increase membership in Golf Saskatchewan and the local member organizations. MAP is funded by the Saskatchewan Lotteries Trust Fund for Sport, Culture & Recreation and is derived from the sale of lottery tickets in Saskatchewan.

In 2021, Golf Saskatchewan distributed \$100,100 in MAP Grants to 57 member clubs. A complete break-down of the clubs and the MAP funding from 20 can be found in the Audited Financial Statements (Schedule 7) of the audited financial statements.

In 2022, \$99,400 will be distributed to Member Clubs. Since we began tracking the distributed MAP GRANTS funds in 2001, approximately \$1.64 million has been allotted to member clubs. Thank you for the continued support in growing member participation in golf and remember to purchase your lottery tickets.

As a non-profit organization, Sask Lotteries operates effectively and efficiently to maximize the proceeds available for funding.

VOLUNTEERS

“Volunteers Don’t Just Do the Work – They Make It Work”

Thank you to all our volunteers for their efforts in 2021. Our events, programs and core service offerings could not have run as smoothly without your help. For those who assisted during the COVID-19 golf season, thank you for your efforts and we hope we are able to have a celebration in 2022.

Celebrating Volunteers

National Volunteer Week is April 18-24, 2021. Sask Sport and Golf Saskatchewan would like to thank the more than 330,000 volunteers who help make the sport, culture, and recreation activities in Saskatchewan possible.

From board members to medical staff, coaches to schedulers, officials/referees to announcers, volunteers dedicate their time and efforts to filling those roles and many others.

Even in a year when organized activities were reduced, there was no shortage of volunteers ready and willing to do whatever they could, wherever they could.

Thank you on behalf of everyone who plays or is involved with sport, culture, and recreational activities.

WOMEN'S PROGRAMMING & EVENTS

Ada Mackenzie Event

The Ada Mackenzie event is held annually for women's sections across Saskatchewan to be played between June 1 - 11. It is a net score event celebrating the life and contributions of Ada Mackenzie to women's golf. The cost is \$2 per player with proceed going towards junior golf development. Please watch for details in how to participate in 2022.

Canada Day Event

The Canada Day Tournament is an 18- or nine-hole round stroke play, net score event. There are a possible 12 competitions overall (six north + six south) with three handicap divisions for both the 18- and nine-hole section players. (Handicap divisions are 1-20, 21-32 and 33-40.) The event is scheduled to be played on Ladies Club Day, if possible, otherwise may be played any day between June 23 and July 3. The cost of the competition is \$2 per player with proceed going towards junior golf development. Please watch for details for how to participate in 2022.

Since its inception in 2004, *Golf Fore the Cure*, is aimed to grow women's participation in the game of golf by introducing them to the game through fun, non-intimidating activities. Through a unique partnership structure with the Canadian Cancer Society the program has women across the country participate in golf activities raising money in the fight against breast cancer. Even if you are not a golfer there is no better chance for you to learn the game and have fun doing it.

- 65 events were held in Canada in 2021 with five events in Saskatchewan.
- Golf fore the Cure presented by Subaru proudly raised more than \$250,000.00 in 2021 for breast cancer research and support programs for the Canadian Cancer Society and Quebec Breast Cancer Foundation.

Thank you for your continued support and we hope you will join us next year. We thank those who participated and hope you hold events again in 2022 and beyond.

Golf Canada - Incident Protection Program

In 2021, 22 Golf Saskatchewan members submit claims under the Incident Protection Program (IPP) valued at \$15,166 in damages, theft, or loss. This was double the losses paid out in comparison to the previous year (2020) The items included a combination of equipment damage, loss or theft, broken glass, golf cart damage or the program paying the deductible on a member's home insurance for items above the valued threshold. In 2022, we will continue to update our membership about the incident protection program.

- 2022 = six claims valued at an estimated \$2,063 in damages, theft, or loss.
- 2021 = 22 claims valued at an estimated \$15,166 in damages, theft, or loss.
- 2020 = 17 incidents | 7,504
- 2019 = 20 incidents | \$11,262
- 2018 = 17 incidents | \$11,310

FINANCE COMMITTEE

I am pleased to present the financial report for 2021 for the year ending Dec 31st, 2021. The firm of VIRTUS GROUP has completed the annual audit of the financial statements of Golf Saskatchewan. In VIRTUS Group's opinion, management maintains an appropriate system of internal accounting controls ensure the transactions are accurately recorded on a timely basis, are properly approved and result in reliable financial statements. Management and the Board of Directors acknowledge the financial statements are their responsibility.

The Finance Committee, composed of members of the Board of Directors, meets with the management of Golf Saskatchewan to ensure accuracy of the association's financial reports. The Board of Directors has voted to approve the financial statements as presented in the Appendix I of the annual report in March of 2022. The financial highlights are:

- i. **Revenues** of \$1,080,494 was an overall increase of approximately 20% or \$179,185 compared to the previous year.
 - o The increases are in membership, Covid-19 grants, grants, fundraising and championship entry fees.
- ii. **Expenses** of \$1,048,317 was an increase 42% or \$310,675 comparable to the previous year.
 - o Increase in overall expenses were related to Covid-19 grants, championship expenses and national membership dues.

The Expense Schedules shown below are detailed in the audited financial statements at the end of the report.

- iii. **Administration (Schedule 3)** increased approximately 10% or \$34,910. (Interns, operational expenses)
- iv. **Capacity and Interaction (Schedule 4)** increased approximately 157% or \$11,293. (Awards, recognition and meetings)
- v. **Participation and Interaction (Schedule 5)** increased approximately 134% or \$67,025. (Championships)
- vi. **Excellence (Schedule 6)** increased approximately 209% or \$33,162. (National championships)
- vii. **MAP GRANT (Schedule 7)** flow through expenses from the LTF grant for membership programming.
- viii. **Heritage Canada Covid-19 Relief Funding**

The overall result is a **\$32,177 surplus*** of revenues over expenses and therefore an increase in the reserves (unrestricted net assets).

NOTES FOR THE GOLF SASKATCHEWAN BUDGETING PROCESS:

1. Board/management does not include grant revenues unless they have officially been announced/received.
2. For the 2021 Fiscal Year the Board of Directors (BOD) approved a strategic surplus budget of **\$25**
 - a. Budget = forecasted expenses totaling \$917,375 compared to revenues of \$917,400
 - b. Actual = Expenses of \$1,048,317 compared to Actual Revenues of \$1,080,494.
3. Reminder to membership: an the BOD approves a deficit budget, it does not impact Golf Saskatchewan's overall financial position due to strong reserve funds.
4. Limited interest was accounted in our general operating funds.
5. In 2021, one of our strategic measures was accomplished. A zero budget in less than three years by 2022.
6. For 2020 and 2021, a notice to membership, Golf Saskatchewan received 3 phases of the Heritage Canada Emergency Funding for COVID-19.

Thank you to the Golf Saskatchewan staff, Board of Directors and the Finance Committee for their contributions during the past year.

Respectfully submitted,

Danny Klughart, Chair of Finance Committee

COURSE RATING COMMITTEE

The Course Rating System consists of two basic elements:

Course Rating – the evaluation of the playing difficulty of a course for scratch golfers under normal course and weather conditions expressed as number of strokes (e.g. 72.5).

Slope Rating – the evaluation of the relative difficulty of a course for players who are not scratch golfers compared to the difficulty of the course for scratch golfers. The lowest Slope Rating is 55 and the highest 155. A course of standard playing difficulty will have a Slope Rating of 113.

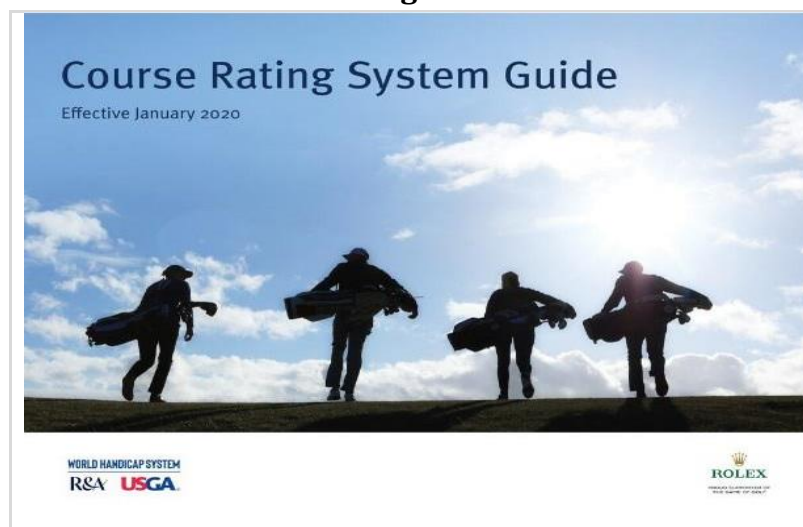

Accuracy and consistency are the keys to effective course rating. Golf Canada and the provincial golf associations work together to rate golf courses and ensure that Course Ratings are accurate and uniform from coast to coast. Only Golf Canada authorized provincial golf associations may rate golf courses. If a club disagrees with its ratings, it may request that the provincial golf association review the ratings.

Course Rating Workshops | Seminar

In 2021, with our province facing COVID-19 restrictions, the annual course rating was held in a virtual format for the second year. The dates were May 11-13. The online workshop was attended by 63 people from across Canada. The session was recorded and shared on our YouTube channel. Thank you to Richard Smith for leading the seminar.

Member Club Course Ratings in 2021

8	9	Pasquia Regional Park GC	Carrot River
9	9	Silver Hills GC	Prince Albert
10	18	Spiritwood Golf Course	Spiritwood
11	18	Valley Regional Park GC	Rosthern

COVID-19 restrictions and concerns for the safety of our volunteers led to a reduced number of physical course ratings in 2021. Thank you to the volunteers for completing the ratings.

2022 Course Rating Workshop & Member Club Course Ratings

With the lifting of many COVID-19 restrictions coupled with the Golf Saskatchewan policy that all volunteers must be fully vaccinated an in-person course rating workshop has been tentatively scheduled for May 17 to 19, 2022. With the restricted number of member club course ratings in 2020 and 2021 there is a backlog. It is anticipated that there will be a heavy schedule in 2022. The list of courses to be rated in 2022 has not been finalized as of the date of writing of this report but will likely be released shortly after the AGM.

Interested in Volunteering as a Course Rater?

Any prospective volunteers should note most course ratings are conducted on weekdays in May and June. There may also be course ratings scheduled on weekdays in late August or September.

Respectfully submitted,

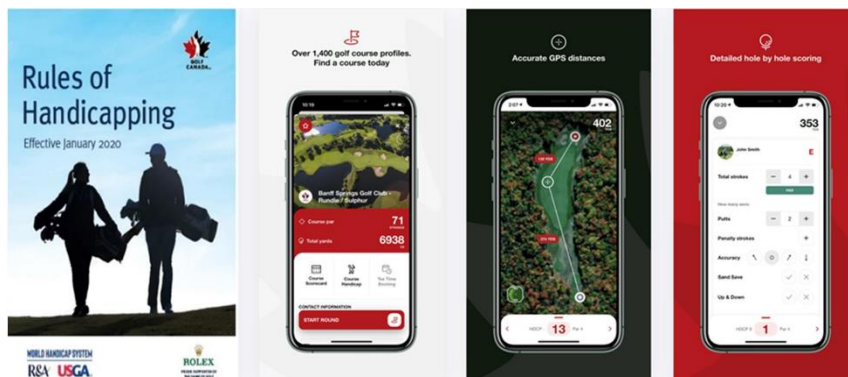

Richard Smith

Chair of Course Rating Committee

WORLD HANDICAP SYSTEM – RULES OF HANDICAPPING

Purpose of the Golf Canada Handicap System

Handicapping is at the core of equitable competition in amateur golf, with few other sports enabling players to compete equitably across different skill levels the way that golf does. Golf Canada is the Authorized National body that is responsible for implementing and administering the Rules of Handicapping in Canada in co-operation with the provincial golf associations.

The purpose of the World Handicap System (WHS) is to make the game of golf more enjoyable for golfers by providing a consistent means of measuring one's performance and progress and to enable golfers of differing abilities to compete, or play a casual round, with anyone else on a fair and equal basis.

Through the WHS, each golfer establishes a "Handicap Index" which is the measure of a player's demonstrated ability on a course of standard playing difficulty.

The Handicap Index is calculated using the lowest 8 of the player's most recent 20 Score Differentials and updated with each new round played. The Handicap Index travels worldwide with the golfer from course to course (and tee to tee) and is used to calculate a "Course Handicap". The Course Handicap is the number of strokes a golfer receives from the specific set of tees at the course. The more difficult the golf course, the more strokes the golfer receives and vice versa.

The relative difficulty of a golf course is determined jointly by Golf Canada and the provincial golf association using the WHS Course Rating System as administered by Golf Canada. Specially trained Course Rating Teams evaluate the difficulty of a golf course based on such variables as length and a number of obstacle factors (e.g. topography, bunkers, lateral & crossing obstacles, severity of rough, etc.).

Only Golf Canada member golf clubs are permitted to use the World Handicap System and Course Rating System (as administered by Golf Canada) including related trademarks and service marks. Member golf clubs must do so in a manner that preserves the integrity and reliability of these systems. All rights to use these systems and related trademarks and service marks terminate should the golf club cease to be a member in good standing with Golf Canada.

Golf Canada Score Centre

Post your golf scores, look up a golfer's handicap factor(s), find golf courses in Canada, compute your course handicap and more.

If you haven't downloaded the app for your iPhone or Android device, do so in 2022.

Active Season and Posting of Scores

The handicap season for posting scores at Saskatchewan golf courses is April 15 to Oct. 31. All games played outside the active handicap season in Saskatchewan should not be posted for your handicap.

Handicap Seminars and Licensing Agreements

There are three ways a club or individual can become certified under the WHS:

1. attend a seminar in person,
2. attend a webinar, or
3. register and take the online handicap seminar via the [Golf Canada website](https://www.golfcanada.ca).

For clubs, please sign and return/submit the WHS Licensing Agreement as soon as possible.

RULES OF GOLF COMMITTEE

Member Club Rules Clinics

Thirteen member clubs hosted a member club rules clinic in 2019. These sessions conducted at golf courses for the benefit of members and are intended to familiarize golfers with the most frequently encountered rules situations and proper procedures. If you have a "What if question ..." or "What happens when ..." a member club Rules of Golf clinic is for you. In 2020, we have put our member club rules clinics on hold until further notice with the COVID-19 pandemic.

Rules Education: Level 1, Starting your Rules Education

If you are interested in the starting your Rules of Golf education and progressing through the Golf Canada Rules Educational Pathway, please visit the Volunteer/Learn section of the Golf Saskatchewan website. You don't have to be an expert on the rules to be interested.

Rules Education: Level 2, Provincial Rules of Golf Seminar

In 2021, for the second year we did not hold an in person provincial Level 2 seminar. Details of the 2022 seminar will follow the AGM.

Rules Education: Level 3, National Rules of Golf

The last in-person prairie Level 3 workshop was held at the St. Charles Country Club in Winnipeg, Manitoba in April of 2019.

Golf Saskatchewan had four attendees and one instructor at the session. All people who attended the session successfully challenged the national certification exam.

For more information on the Rules of Golf please visit <https://www.golfsaskatchewan.org/rules-of-golf/>.

In 2020 and 2021, all in-person seminars were on hold due to COVID-19.

Amateur Status

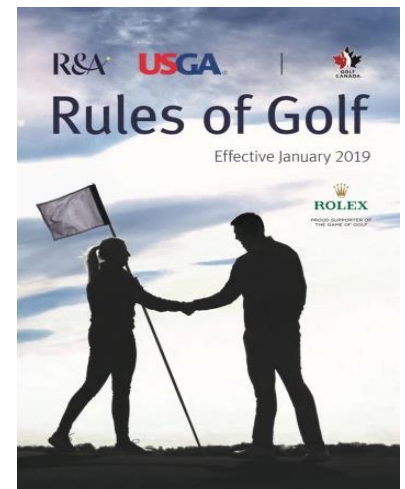

The Amateur Status Committee of Golf Canada defines an amateur as someone who plays the game as a non-remunerative and non-profit-making sport and who does not receive remuneration for teaching golf or for other activities because of golf skill or reputation.

Prizes in amateur events are limited to a retail value of \$1000.

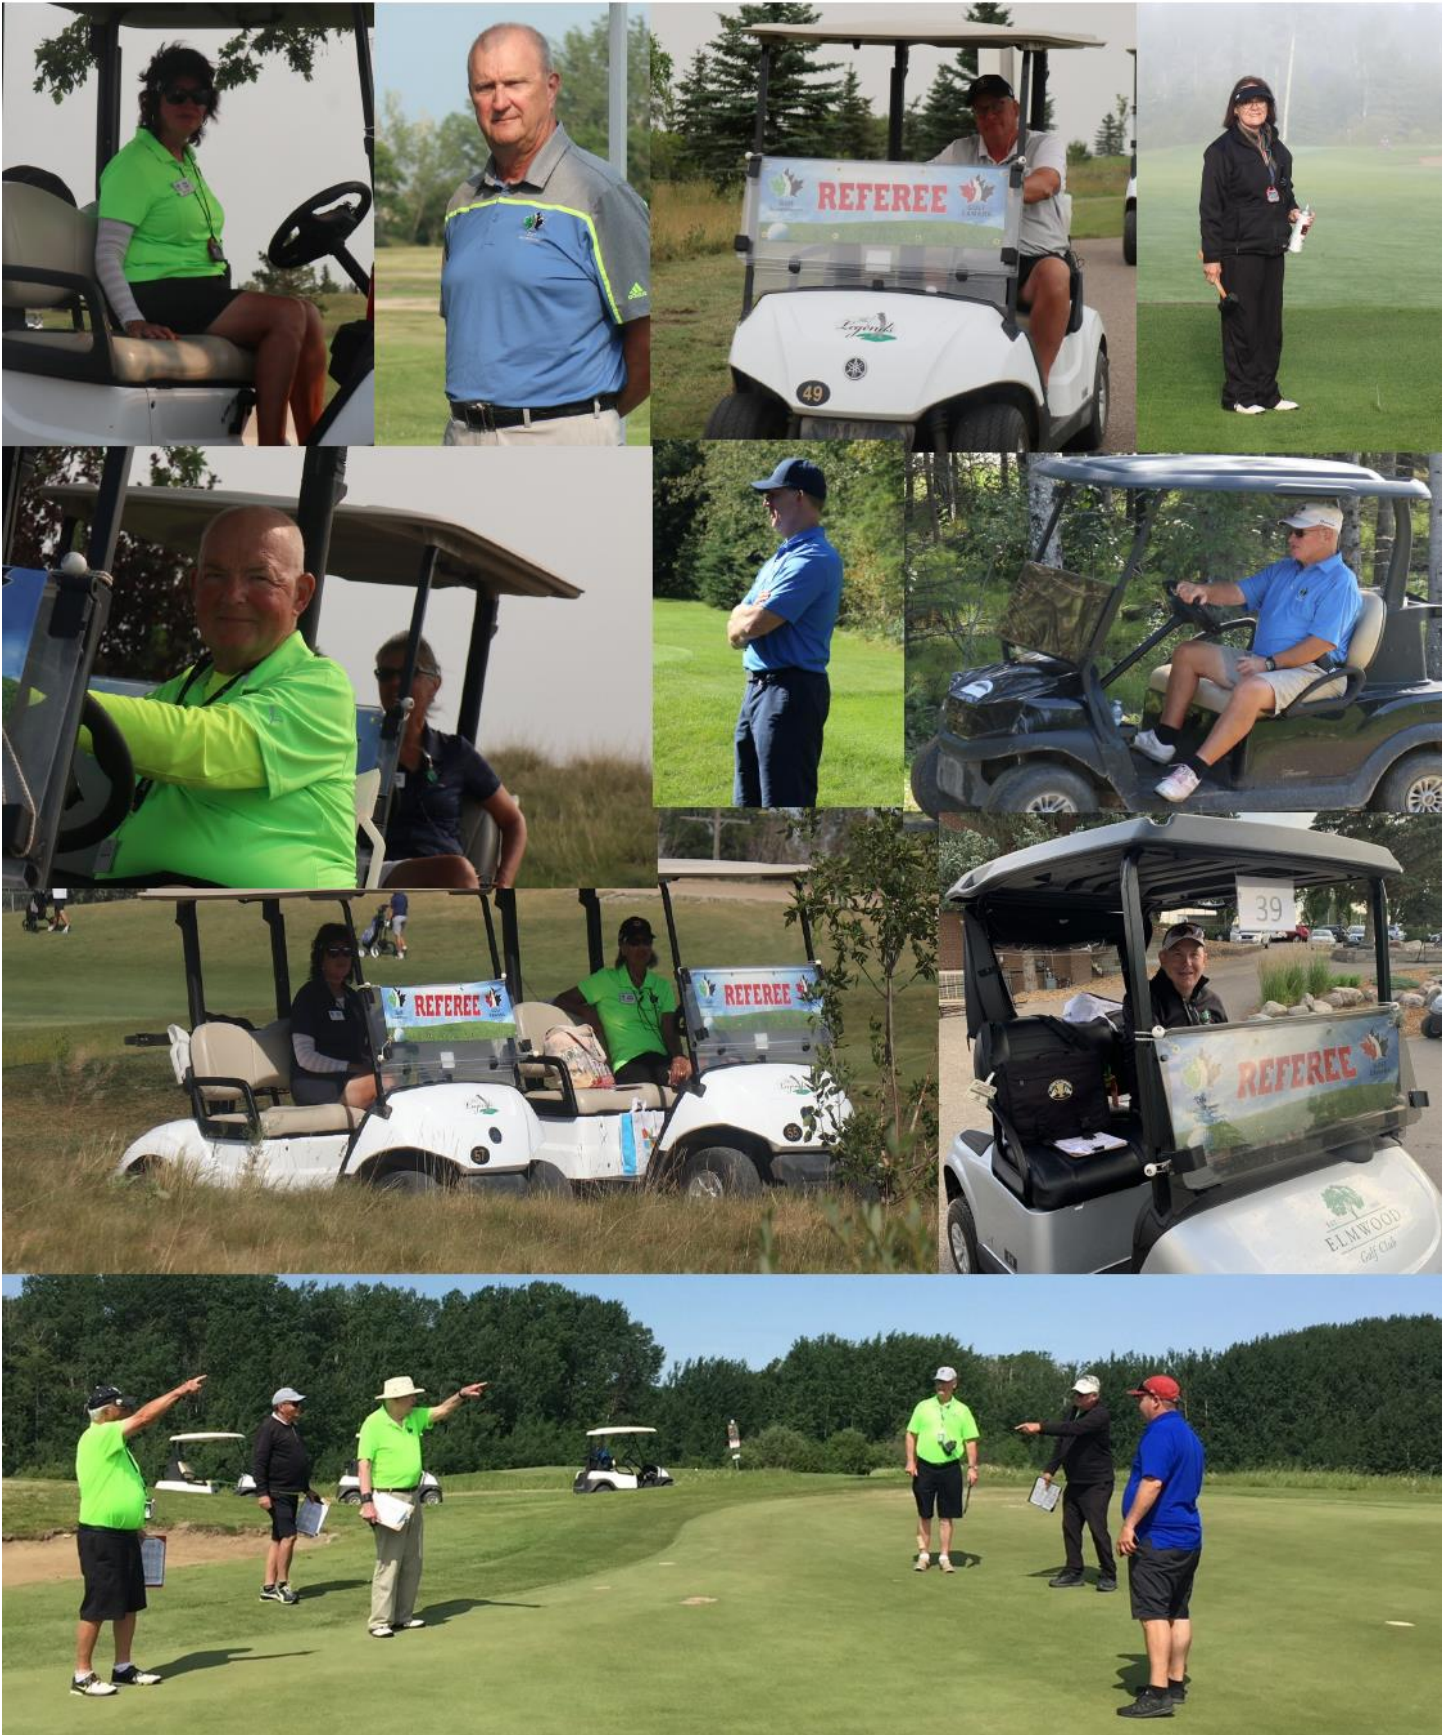

Yet players may receive expenses to play in competitions, accept golf scholarships and make inquiries as to the possibilities of becoming a professional, including playing in a qualifying event provided, if prize money is available, a waiver to any prize money is signed prior to playing.

The purpose and spirit of the rules is to keep the amateur game as free as possible from the abuses which may follow from uncontrolled sponsorship and financial incentive and to safeguard the rules of play and handicapping so that golf can be fully enjoyed by all amateur golfers.

For more information on the Modernized Rules of Amateur Status, please visit our website or Golf Canada's.

The Saskatchewan Golf Hall of Fame is dedicated to the recognition of extraordinary contributions and accomplishments in the game of golf in Saskatchewan. The purpose is to provide role models and icons for upcoming generations of golfers in Saskatchewan while setting standards for them to aspire towards.

SPORT COMMITTEE

EXCELLENCE – JUNIOR DEVELOPMENT PROGRAM (JDP)

The Junior Development program is a measure under the excellence area of Golf Saskatchewan's strategic plan. The goal is to create a culture of hard work, commitment and dedication among all athletes, coaches, and the integrated sports teams (IST). Athletes will learn to practice, train, and play with a game plan. We want to excel as a group and work with those who share the same goals to succeed at the provincial and national levels.

In 2021, we had 14 athletes take part in various levels of the JDP. Directed by PGA of Canada coach, Steve Ryde, athletes were introduced to a personalized fitness training program/body assessment with Dallas Mengel, a TPI Certified fitness instructor. In-person training at the Golf Dome in Saskatoon. Others enjoyed the online webinar series offering free mental training sessions from Lisa Hoffort, expert advice on nutrition recovery with Heather Hynes, and rules of golf trivia with coach Steve.

The goal in 2022 is to continue working with PGA of Saskatchewan members, certified fitness/nutrition specialists, and member clubs to provide Saskatchewan's junior golfers the best in coaching and education from leaders in the golf industry.

Coaching Development

The PGA of Canada's coaching program is developed in partnership with Golf Canada and the Coaching Association of Canada (CAC). The PGA of Canada is one of 67 sports participating in the National Coaching Certification Program (NCCP), representing coaching and instructing excellence in Canada. In 2021, the PGA of Canada decided to "Return to Learn" scheduling the Coaching Developing Competitors (CDC) in-person workshop at Bear Mountain Golf Resort in Victoria, BC. Steve Ryde, Manager of Sport & Championships attended the week-long workshop. Golf Saskatchewan has made Coaching a strategic imperative.

As of 2021 Saskatchewan has:

Community Golf Coach & First Tee Canada Coach

This workshop has been designed for the Community Golf Coach who is, or would like to, work with children or youth and is introducing the basic skills of golf. The overall goal of this workshop is to help prepare the coach to be competent in the skills required by a community coach. In 2021, the Community Golf Coach program was put on hold for another season. The plans for 2022 are "in the works" as the PGA of Canada is working on a safe way to run the in-person coaching seminar. Any updates for the Community Coaching program and/or First Tee Canada Coach will be communicated on our website and social media channels.

National Athlete Assistance Subsidy (NAAS)

Since 1999, (when the CLGA of Saskatchewan and SGA amalgamated into one association), Golf Saskatchewan has provided more than **\$1 million dollars (\$1,064,340)** in combined Athlete Assistance and funding towards national championships.

The Sport Development Committee believes in our athletes competing and excelling at the highest levels. In 2013, the National Athlete Assistance Subsidy program was revamped from an application process to an earned program.

How does a player qualify? Following our provincial championships, athletes who qualify to attend nationals, either on teams or quota spots, are eligible to receive funding. The amount of subsidy is determined on an annual basis, however more dollars are allocated towards players who make the team spots.

PARTICIPATION – GROWING THE GAME

Junior-Junior

With the help of the host committee at Hillcrest Golf Club, a new, two-day event was added to the Junior Championships called the Junior-Junior. The goal of this event is to introduce kids to competitive golf, providing a fun, learning experience for golfers under the age of thirteen. 22 participants competed in this fun, Stableford format. The JR-JR will be an annual event alongside the junior provincial championships moving forward.

Junior Skills Challenge (JSC)

Member Facility	Date	Participants
The Willows GCC	May 22	22
Cooke Municipal GC	June 12	23
The Legends GC	June 19	17
Willows GC (Provincial Finale')	September 18	13

JSC is an online and interactive program that focuses on developing the key golf skills of putting, chipping, and driving. The online leaderboard allows instructors to upload players' scores so they can track their improvement. Using the data, players are ranked nationally by age group, and by scores on the National Leaderboard. Top competitors nationally are invited to compete in the annual Junior Skills Challenge National Event.

In 2021, Golf Saskatchewan hosted JSC's at various member facilities in SK to assist in junior development.

Learn-to-Play

The LTP is an after-school program designed for member facilities to grow their junior memberships at the local level. Juniors will learn key fundamentals in golf, then go play a few holes while learning on course etiquette and Rules of Golf. Coach Steve Ryde assisted in the LTP program at member facilities, including Rosetown golf club, Valleyview golf club in Delisle, and Outlook Regional Park golf club.

2022 brings a large shift in programming as Golf Canada has decided to move away from the Future Links branding entirely. Partnering with First Tee in the US, together they have created a First Tee Canada headquarters with various provincial chapters. It is unknown if there will be a chapter in the prairies this season.

The Junior Skills Challenge will continue to be a focus for Golf Saskatchewan in 2022, as it provides a competitive atmosphere to young golfers that are interested in competition. The Junior Skills Challenge manual will be available to member facilities, which in turn can add it to their already successful program. We hope to run a series of regional events in various locations around the province, leading to a provincial skills challenge finale'.

Golf Saskatchewan will continue to provide golf clinics, private lessons, webinars, and development programs to the member clubs and players in our province.

SAGE Scholarships & High School Bursaries

The program annually presents scholarships to assist deserving member golfers in their pursuit of high school and post-secondary academic excellence. The successful recipients are selected on their basis of academic excellence as well as some weighting of their golf participation. The two organizations who pay the scholarship amounts are Golf Saskatchewan and the Saskatoon Community Foundation.

Smith Cree Nation. Sports have now been finalized and include; Archery, Athletics, Canoe/Kayak, Golf, Soccer, Softball and Beach Volleyball. Age groups to be announced later in 2022.

North American Indigenous Games (NAIG)

The North American Indigenous Games Council is pleased to announce Halifax, Nova Scotia will have the honour of hosting the 2023 North American Indigenous Games, July 15-23.

Training of the Saskatchewan team will begin later in 2022.

Saskatchewan Summer Games

Lloydminster has been officially named as host of the 2024 Saskatchewan Summer Games!

In the summer of 2024, more than 2,000 athletes, coaches and officials will converge on the Border City to share in the thrill of competition and camaraderie on the provincial stage. Upwards of 1,100 community volunteers will be recruited to help welcome thousands of visitors to

Lloydminster during the seven days of Games competition.

The Saskatchewan Games Council looks forward to partnering with the City of Lloydminster and the 2024 Saskatchewan Summer Games Host Society to stage an incredible celebration of sport, volunteerism and community.

Saskatchewan, we can't wait to see you at the Games!

Goals of the Summer Games:

- To develop collaborative partnerships within the community and province to enhance sport for young athletes.
- To provide opportunity for participants to develop themselves as athletes and people.
- To commit to a high level of participant care and comfort in all decision making.
- To ensure the community enjoys a legacy of facilities, equipment, and volunteerism to assist in sport development for future generations.
- To demonstrate leadership through fiscal responsibility, accountability, and mentorship
- To create an opportunity to showcase Lloydminster and region to the province of Saskatchewan, thus enhancing the economic impact and to celebrate a spirit of inclusion.

Canada Summer Games 2022

Alternating between winter and summer, they span over 30 different sports to showcase the very best in Canadian sport and spirit.

The Games are held under the stewardship of the Canada Games Council who provide continuity, leadership and support. We're here to foster ongoing partnerships and ensure the Games leave an enduring legacy on communities from coast to coast to coast.

INCLUSIONARY PROGRAMS & SERVICES

The Solo-Rider

Sometimes people cannot play golf due to mobility issues related to genetics, age, change in life situation, health deterioration, or an accident. The Solo-Rider is turning what used to be thought of as impossibility, into a reality. Athletes who have a mobility issue can now enjoy the stable, comfortable, and fun way to get back in the game.

The specialty cart enables golfers to continue to enjoy the game of golf or take it up for the first time. Golf Saskatchewan, through funding from Sask Sport Inc. and the Para-Sport grant now owns three Solo-Ride power-carts. The Solo-Riders are in Saskatoon, at the Silverwood Golf Course, now in North Battleford at the golf and country club, and we are looking to find a third location.

There is no cost to rent the Solo-Rider other than the cost of a green fee for the participant.

Please assist us in spreading the word about the Solo-Rider as an option for enjoying the game. Golf, a game for everyone. Solo Rider Cart are available at:

-  Saskatoon – Silverwood Golf Course
-  North Battleford – [Golf Saskatchewan delivered our third Solo-Rider cart in June of 2021.](#)
-  Prince Albert area – working with the Spinal Cord Injury Association
-  Note – City of Regina has an older Solo-Rider cart at Lakeview GC

Other Groups and/or Non-Profit Organizations:

Golf Saskatchewan also partners and/or assists with the following organizations/events:

1. Saskatchewan Blind Sports Association
2. Saskatchewan Wheelchair Sports Association
3. Special Olympics Association of Saskatchewan (Nipawin branch)
4. MS Society of Saskatchewan – Walk for a Cure
5. Spinal Cord Association of Saskatchewan

We are open to partnering with groups to assist with mandates and assist in growing our game.

Audited Financial Statements Year Ending Dec 31st, 2021

Financial Statements of
Saskatchewan Golf Association Inc.
operating as
Golf Saskatchewan
December 31, 2021

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL STATEMENTS

The accompanying financial statements of **Saskatchewan Golf Association Inc.** operating as **Golf Saskatchewan** have been prepared by the Association's management in accordance with Canadian accounting standards for not-for profit organizations and necessarily include some amounts based on informed judgment and management estimates.

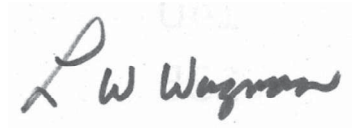

To assist management in fulfilling its responsibilities, a system of internal controls has been established to provide reasonable assurance that the financial statements are accurate and reliable and that assets are safeguarded.

The board of directors has reviewed and approved these financial statements.

These financial statements have been examined by the independent auditors, **Virtus Group LLP**, and their report is presented separately.

Executive Director

President

INDEPENDENT AUDITORS' REPORT

To the Members, Golf Saskatchewan

Opinion

We have audited the accompanying financial statements of **Saskatchewan Golf Association Inc.** operating as **Golf Saskatchewan** which comprise the statement of financial position as at December 31, 2021, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Association as at December 31, 2021 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Saskatchewan, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

INDEPENDENT AUDITORS' REPORT continued

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

GOLF SASKATCHEWAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021
(with comparative figures for the year ended December 31, 2020)

1. Description of operations

Saskatchewan Golf Association Inc. ("Golf Saskatchewan" or the "Association") was incorporated under the *Non-profit Corporations Act, 1995* of Saskatchewan. The Association promotes and coordinates amateur golf in the province of Saskatchewan. The Association is exempt from income taxes under Section 149(1)(l) of the *Income Tax Act*.

2. Summary of significant accounting policies

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The financial statements required management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the period in which they become known. The financial statements reflect the following policies:

Financial instruments – recognition and measurement

Financial assets and financial liabilities are recorded on the statement of financial position when the Association becomes party to the contractual provisions of the financial instrument. All financial instruments are required to be recognized at fair value upon initial recognition, except for certain related party transactions. All other financial assets, except for investments, and financial liabilities are subsequently measured at amortized cost adjusted by transaction costs, which are amortized over the expected life of the instrument. Investments are measured at fair value.

Fair value is the amount at which a financial instrument could be exchanged at arm's length between willing, unrelated parties in an open market. Changes in fair values of financial assets and financial liabilities measured at fair value are recognized in excess of revenues over expenses.

When there is an indication of impairment and such impairment is determined to have occurred, the carrying amount of financial assets measured at amortized cost is reduced to the greater of the discounted cash flows expected or the proceeds that could be realized from sale of the financial asset. Such impairments can be subsequently reversed if the value subsequently improves.

Inventory

Inventory is recorded at the lower of cost and net realizable value. Cost is determined based on the specific identification method.

Tangible capital assets

Tangible capital assets are recorded at cost less accumulated amortization. Amortization is provided on a declining balance basis over the estimated useful life of the assets at the following annual rates:

Computers	40%
Equipment	30%
Furniture & fixtures	30%

2. Summary of significant accounting policies (continued)

Funds

The Golf Hall of Fame fund is an internally restricted fund established to hold funds raised in support of a Saskatchewan golf hall of fame.

Revenue recognition

The Association follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable, if the amount can be reasonably estimated and collections are assured. Revenues received from the Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation are recorded as revenue in year to which the funding relates. Membership fees are recognized in the membership year, which coincides with the Association's fiscal year. Revenues from tournaments, and clinics are recognized when the event occurs. Investment revenue is recognized as it is earned. Fundraising and donation revenues are recognized when they are received.

Donations in kind

Donations of material and services are recorded at fair market value when received if the amount can be reasonably estimated and would otherwise have been purchased.

Contributed services

The work of Golf Saskatchewan is dependent on the services of many volunteers at amateur events as well as for the governance council and various committees. Since these services are not normally purchased and because of the difficulty in determining their fair value, donated services are not recorded in the statement of operations.

3. Tangible capital assets

4. Investments

	2021	2020
RBC A+ Unified Managed Account	\$ 531,776	\$ 491,937
Sport Legacy Fund investment (Note 5)	15,425	5,044
Cash surrender value of life insurance policy (Note 5)	5,150	4,834
Total long term investments	<u>\$ 552,351</u>	<u>\$ 501,815</u>

The RBC A+ Unified Managed Account is a structure which provides access to multiple investment managers within one account. The asset allocation of the account at year end was 47% equities and 48% fixed income (2020 – 49% equities and 48% fixed income), with an emphasis on high quality securities, income generation, downside protection and capital preservation.

At December 31, 2021, the asset allocation in the account was \$18,950 in cash, \$258,996 in fixed income and \$253,830 in equities. At December 31, 2020, the asset allocation in the account was \$14,103 in cash, \$235,466 in fixed income and \$242,368 in equities.

5. Sport Legacy Fund

The cash surrender value of the life insurance policy and investment in the Sport Legacy Fund consists of donations based on various programs and contributions by Sask Sport. These amounts are recorded as deferred revenue until amounts have been received. To qualify for an additional contribution by Sask Sport Inc., the Association is required to leave the original amount and any additional donations in the Legacy Fund for a minimum of five years.

6. Deferred revenue

During 2021, the Association received \$213,150 (2020 – \$213,850) from the Saskatchewan Lotteries Trust Fund for annual expenses which will occur in the following fiscal year. Deferred revenue includes the funds invested with the Sport Legacy Fund of \$20,575 (2020 – \$9,878), unspent Indigenous Sport Enhancement grant funds of \$nil (2020 - \$1,464), unspent Adaptive Sport Equipment grant funds of \$11,050 (2020 - \$13,000) and \$5,965 (2020 - \$nil) unspent fundraising attributable to specific athletes.

7. Economic dependence

Golf Saskatchewan currently receives revenue in grants from Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation. As a result, the Association is dependent upon the continuance of these grants to maintain operations at their current level.

8. Financial instruments

The Association recognized financial instruments consist of cash, accounts receivable, accounts payable, accrued liabilities and investments. The fair value of cash, accounts receivable, accounts payable, accrued liabilities and investments approximate their carrying value given the short-term nature of the amounts.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021
(with comparative figures for the year ended December 31, 2020)

9. Financial risk management

The significant financial risks to which the Association is exposed are:

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Association is exposed to credit risk on the accounts receivable from its customers, however, does not have a significant exposure to any individual customer or member. The Association incurred no bad debt expense in the current year. The Association's customers are mainly members of the Association.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Association's exposure to liquidity risk is dependent on the receipt of funds from its operations and other related sources. Funds from these sources are primarily used to finance working capital and capital expenditure requirements and are considered adequate to meet the Association's financial obligations.

Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Association's investments in publicly traded securities expose the Association to market price risk as such investments are subject to price changes in the open market. The Association does not use any derivative financial instruments to alter the effects of this risk.

10. Contributed materials

During the year, the Association received donated golf products estimated at a value of \$20,000 (2020 - \$20,000).
