

## Ties, Playoffs & Retrogression (2023)

Playoff holes for the Overall Tournament Championship, Team positions (3 Gold/Silver/Bronze), alternate position(s), and quota spots will be determined by a Sudden Victory (Hole-by-Hole) Playoff

## Playoff Holes: \*

The Committee will determine the playoff hole(s), and/or rotation of holes, until a winner is determined.

- All other divisions/ties will be determined using Golf Canada Retrogression:
  - o The lowest last 18-hole TOTAL SCORE completed.
  - o If there is still a tie, the lowest last nine holes TOTAL SCORE of the most recently completed round.
  - o If there is still a tie, the lowest last six hole TOTAL SCORE of the most recently completed round.
  - o If there is still a tie, the lowest last three hole TOTAL SCORE of the most recently completed round.
  - o If there is still a tie, the lowest last hole SCORE of the most recently completed round.
  - o If there is still a tie, the above process will be used for the front nine.
  - o If there is still a tie, the lowest last 36 (or 54) hole score will be used, and this formula will continue until a winner is determined.
  - o In the extreme case of identical scorecards for all days played, a sudden victory playoff will be used, as listed above.
