## How to make a claim under the Golf Canada Incident Protection Policy

Within ninety (90) days of the date of loss or date of incident, the Golf Canada member must initiate the process by reporting the claim at 1-844-684-GOLF (4653) or by email at [golfcanadaclaims@scm.ca](mailto:golfcanadaclaims@scm.ca).

Once the process has been initiated, the member will be asked to complete the Loss Form, which can be found at [golfcanada.ca/incidentprotectionform](http://golfcanada.ca/incidentprotectionform). Furthermore, the member may be asked for additional documentation such as any applicable receipts, proof of purchase or police reports from the incident.

Golf Canada Incident Policy underwritten by Northbridge General Insurance Corporation and offered through The Magnes Group Inc.
