

Royal Regina Golf Club

Home of Golf in Saskatchewan

Royal Regina Golf Club is looking to fill seasonal positions within our Turfcare team. We are seeking people that are passionate, detail oriented, always willing to learn and interested in being part of a team that strives to “Create the Experience” for our members and guests.

Typical tasks may include:

- Operation of light mowers, utility vehicles, and hand held equipment
- Detail tasks such as sodding, raking, shoveling, weeding, fertilizing, weed eating, debris clean up
- Assisting with specialty and landscaping projects
- Assisting with irrigation maintenance and repair
- Assisting with golf course construction projects

Whether you are retired, a student, or someone who just enjoys working outside in a dynamic environment, consider joining our team. Candidates must be able to work early mornings, work outdoors, and work some weekend mornings. Royal Regina Turfcare offers flexible scheduling, staff golf privileges, and the ability to have your scheduled shift completed by as early as 1:00 PM. Hourly wages are based on the candidate's competencies, attributes and skills. Royal Regina Golf Club is a semi-private 18-hole golf facility located between the airport and RCMP Training facility on the west side of Regina.

Only successful candidates will be contacted for interviews.

All candidates can send their resumes to rrgcturfcare@gmail.com

Thanks
