## MESSAGE FROM THE PRESIDENT

Welcome to the Golf Saskatchewan 2024 Annual General Meeting. As I reflect on the last year, I feel proud to be a part of this great organization. I had the opportunity to attend most of our championship events in 2023 and spoke with many players and volunteers. Many players expressed they enjoyed the opportunity to compete whether it was to qualify to compete at Nationals, meet up with old friends, or make new friends who share the love of the game.

As you read through our annual report, I think you will find that 2023 was a very good year for Golf Saskatchewan. New members and new membership clubs continue to display the growth of golf in our province. As our numbers improve, so does the skill level of the players representing Golf Saskatchewan on the national stage. I am confident we will see this continue into the 2024 season and beyond.

I want to thank my fellow members of the Board for their leadership and support. I also want to thank our hard working and dedicated staff, Brian Lee, Candace Dunham, Alex Schmidt, and Clark Stork for handling the day-to-day operations of our organization.

I also want to thank the following important organizations; Sask Sport Inc. our funding partner, our many sponsors, our member golf clubs, individual members, and public player members who provide

funding for our programs and services as well as our championships.

I want to thank all of you that participated in our 2023 championships. Numbers at most of these events continue to be strong. 2023 also saw an increase in the number of rounds played in Saskatchewan and posted on the Golf Canada Score Centre.

I want to thank all our dedicated and hard-working volunteers. Tournament volunteers, on-course volunteers, referees/officials, and course raters that use their skills and expertise to support our services and programs. Thank you to the member clubs who hosted events in 2023 and will be hosting events in 2024. We could not host quality championship events without your support.

We are a proud partner with Golf Canada. We will continue working with our national organization to expand our programs, and to follow Golf Canada's leadership and focus on diversity, equity, and inclusion as well as safe sport throughout 2024. We will also focus our goals as set by the Board in our updated Strategic Plan.

Once again, I want to thank the Board, our staff, our volunteers, and our members for all you have done and continue to do in advancing the sport of golf in Saskatchewan. I look forward to working with you all in 2024.

*Kevin Duchscherer*

Yours in golf,

Kevin Duchscherer – President and proud volunteer of Golf Canada | Golf Saskatchewan.

## EXECUTIVE DIRECTOR | CEO MESSAGE

Welcome to the 2024 annual general meeting (AGM) of the Saskatchewan Golf Association Inc. operating as Golf Saskatchewan, it's great to be joined again by a widespread audience. Before we head out on the links in 2024 our organization wishes to celebrate the many accomplishments this past season.

The Elk Ridge Open returned with a field full of 156 PGA TOUR Canada professionals, as well as four Saskatchewan players including Josh Nagy, Chase Pochylko, Ty Campbell, and Will Blake. Congratulations to John Pak for winning the event. Pak separated himself from the field with a couple of birdies to start his back nine and went on to shoot 7-under 63 on Sunday, leaving him at 21-under 269, good for a four-shot victory at the Elk Ridge Saskatchewan Open presented by Brandt.

Golf Saskatchewan finished an exciting provincial season with the second playing of the Champions Cup which was won by Team Wascana Country Club for the second year in a row.

Golf Saskatchewan welcomed back the following courses into membership in 2023: Esterhazy GC, Last Oak GCC, and Northern Meadows GC. Welcome to all the members at these clubs and we encourage our membership to schedule a trip and try these wonderful facilities in 2024 and beyond.

Golf Saskatchewan provided coaches (Anna Young/Jason Schneider) to assist the junior women and men's teams at their respective national championships. Golf Saskatchewan continues to work with inclusive groups promoting the sport including Special Olympics, Para-Golf Activities, supporting Blind Sports, including blind golfer.

Rounds played and posted for World Handicap System purposes were up in 2023 to 272,000 (from 246,000). Many courses continued reporting record years with golf's continued growth. We hope this continues in 2024 so when you play, please post your score. Let's see continued growth in 2024.

On a personal note, the photo above was taken from an outstanding winter season where I was able to play golf until my last round on January 1<sup>st</sup>, 2024, before the real winter weather arrived. I can't wait for the start of the 2024 golf season in Saskatchewan and am counting down the days until it arrives.

Of course, none of the above highlights are possible without the assistance of many people and groups from across our amazing province and Canada.

- 🌱 our President, Kevin Duchscherer for his leadership in 2023 and the rest of the Executive Committee,
- 🌱 our Board of Directors for all their past, present, and future contributions,
- 🌱 to Golf Canada, David McCarthy President, Laurence Applebaum – CEO, and the rest of the Golf Canada's Board of Directors, volunteers, and staff in playing a large part in growing golf in nationally,
- 🌱 to the competitors who challenge themselves annually at our provincial championships,
- 🌱 to our partners/sponsors (listed in the report) and the contributions to the amateur game assisting us in delivering quality programming, services, and events,
- 🌱 to our volunteers who graciously give their time to advance our sport, and a special thank you to those volunteers who have given more than 5, 10, 15, and 20 years of service to our organization,
- 🌱 to the PGA of Saskatchewan members who strive to make us better and enjoy the game more, and
- 🌱 to our member clubs/facilities, leagues, and ownership groups who provide fantastic venues to play, and

As the organization hands our 2023 scorecard, I am proud of the continued success of amateur golf in Saskatchewan and all the organizations we work with daily to celebrate and promote the greatest social game ever created. We hope to see you on the links in 2024!

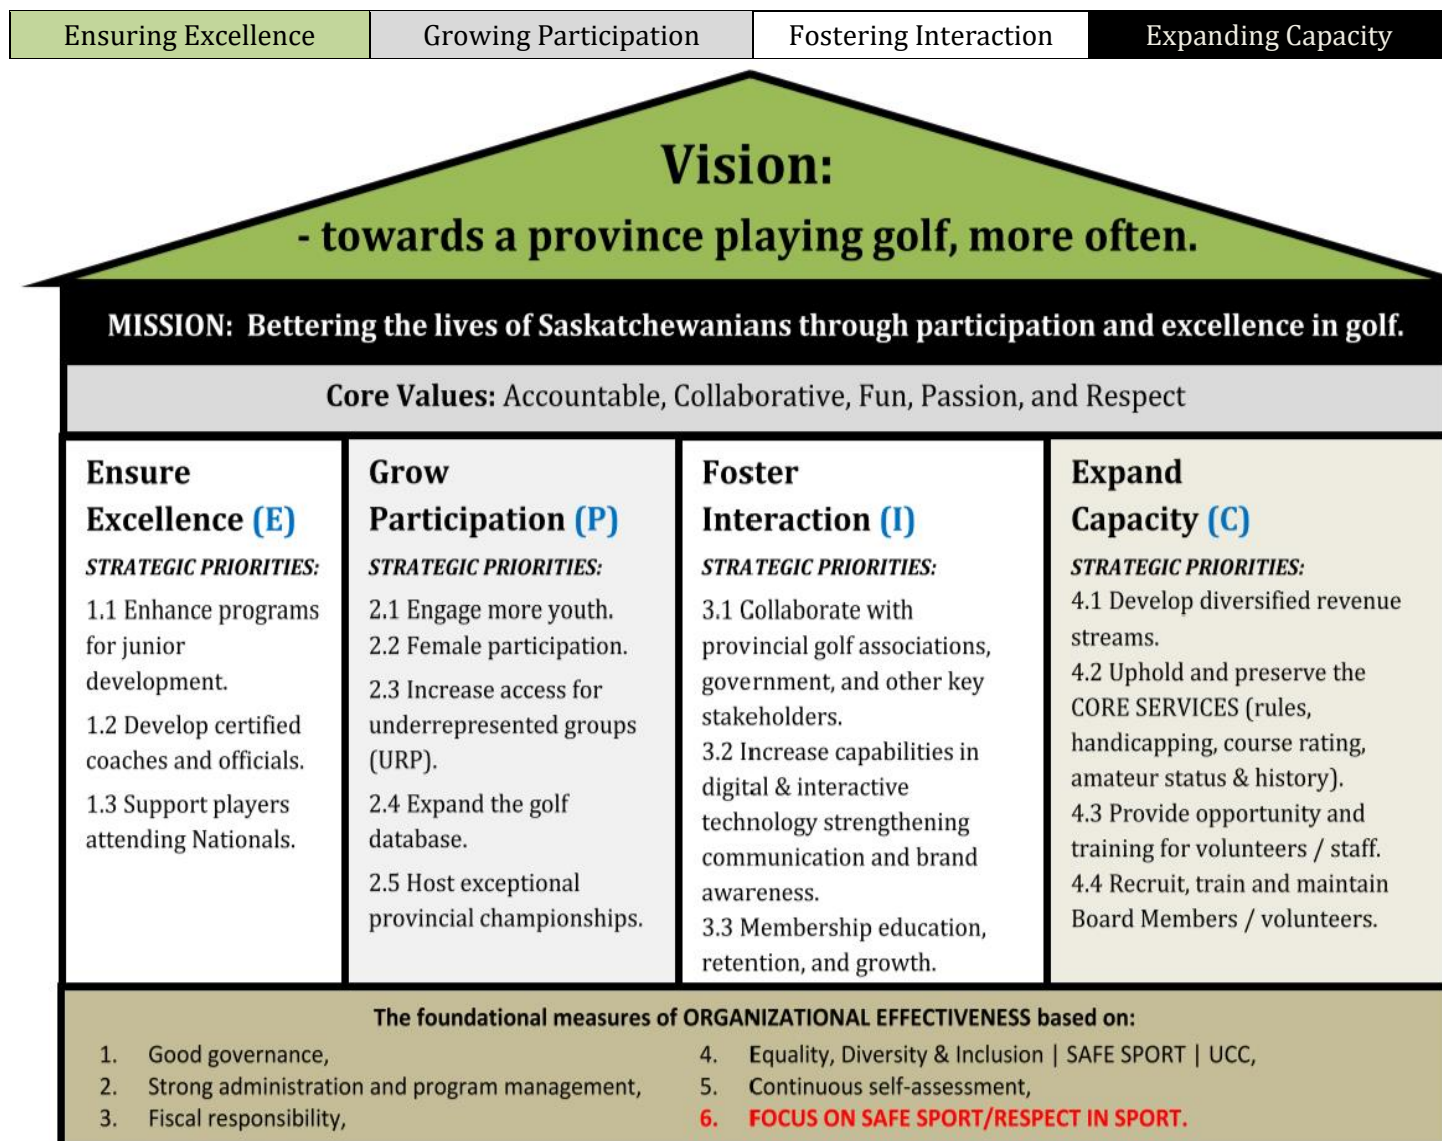

Respectfully submitted,

Brian Lee, Executive Director | CEO | Proud Member of Golf Canada & Golf Saskatchewan

## STRATEGIC PLAN OVERVIEW

Looking forward using our Strategic Plan (2024-2026), we see continuing the collaborative partnerships with Golf Canada, other provincial golf associations, and industry stakeholders to propel the game of golf forward. The goal of all golf associations is to **increase** participation, member values, and attract new golfers to the sport. We will continue to work on measures for diversity, equity, inclusion, Safe Sport, and Respect in Sport programming. Golf Saskatchewan continues to focus on the four main areas of our Strategic Plan as follows:

### Golf Course | Club Visitation Program

Golf course visits (including virtual meetings) are a great way to build and maintain relationships with our member clubs. Many course visits take place throughout the golf season with courses being rated, hosting member rules seminars, provincial golf championships, and interviews highlighting member golf courses in the province. Some visits include even stopping by for a casual cup of coffee.

If your course would like a visit from Golf Saskatchewan or have a newsworthy story to tell the rest of the province, please contact our office and make a request.

## Membership Assistance Program (MAP Grants)

Funding through Sask Sport’s Membership Assistance Program (MAP) enables Provincial Sport Organizations to allocate funds directly to their respective clubs, leagues or other affiliated members to increase the number of participants and the quality of sport development in Saskatchewan communities.

Club, league, and team inquiries on this grant program should be directed to their Provincial Sport Organization. In 2023, Golf Saskatchewan distributed \$100,300 in MAP Grants to 56 member clubs. A complete break-down of the clubs and the MAP funding from 2023 can be found in the Audited Financial Statements (Schedule 7) of the audited financial statements.

In 2024, \$102,900 will be distributed to Member Clubs. Since we began tracking the distributed MAP GRANTS funds in 2001, approximately \$1.85 million has been allotted to member clubs.

Thank you for the continued support in growing member participation in golf and remember to purchase your lottery tickets.

### Golf Canada - Incident Protection Program

In 2023, 20 Golf Saskatchewan members submit claims under the Incident Protection Program (IPP) valued at \$16,184 in damages, theft, or loss. The items included a combination of equipment damage, loss or theft, broken glass, golf cart damage or the program paying the deductible on a member's home insurance for items above the valued threshold. In 2024, we will continue to update our membership about the incident protection program.

- 🌱 2023 = 20 incidents | valued at \$16,184
- 🌱 2022 = 34 incidents | valued at \$30,615
- 🌱 2021 = 22 incidents | valued at \$15,166
- 🌱 2020 = 17 incidents | valued at 7,504
- 🌱 2019 = 20 incidents | valued at \$11,262
- 🌱 2018 = 17 incidents | valued at \$11,310

## Reminder for members or those thinking about becoming a member:

-  Golf equipment can be a costly investment and Golf Canada offers members protection for their investment.
-  Members of Golf Canada are automatically covered under a Golf Canada Incident Policy.
-  If anything happens to your equipment, if you damage a motorized golf cart by accident, or if an errant shot breaks a window, Golf Canada Incident Policy helps get you back on the course by reimbursing your replacement costs or damages.

### Improve your game

Keep track of your game and improve with a Golf Canada Handicap Index.

### Protect your gear

## WOMEN'S PROGRAMMING & EVENTS

### Women's Golf Camp

Golf Saskatchewan held a Women's Golf Camp at Golf Kenossee on June 9-11. 11 ladies and 2 instructors took part in the camp. The camp for Women focused on fun, game fundamentals, skill development, in an entertaining and safe atmosphere. We are planning on looking at some alternative Women's Camps/Clinics in 2024. Please watch our website for updates on this program.

### Ada Mackenzie Event

The Ada Mackenzie event is held annually for women's sections across Saskatchewan to be played between June 1 - 11. It is a net score event celebrating the life and contributions of Ada Mackenzie to women's golf. The cost is \$2 per player with proceed going towards junior golf development. Please watch for details in how to participate in 2023.

### Canada Day Event

The Canada Day Tournament is an 18 or nine-hole, stroke play, net score event. There are a possible 12 competitions overall (six north, six south) with three handicap divisions for both the 18 or nine-hole categories. (Handicap divisions are 1-20, 21-32 and 33-over.) The event is scheduled to be played on ladies club day, if possible, otherwise may be played any day between June 23 and July 3. The cost of the competition is \$2 per player with proceed going towards junior golf development. Please watch for details for how to participate in 2024.

## FINANCE COMMITTEE

I am pleased to present the financial report for 2023 for the year ending Dec 31<sup>st</sup>, 2023. VIRTUS GROUP has completed the annual audit of the financial statements of Golf Saskatchewan. In VIRTUS Group's opinion, management maintains an appropriate system of internal accounting controls ensuring the transactions are accurately recorded on a timely basis, are properly approved and result in reliable financial statements. Management and the Board of Directors acknowledge the financial statements are their responsibility.

The Finance Committee, composed of members of the Board of Directors, meets with the management of Golf Saskatchewan to ensure accuracy of the association's financial reports. The Board of Directors has **voted to approve** the financial statements as presented in Appendix I of the annual report, March of 2024.

The financial highlights are shown below (compared to the approved audited financial statements of 2022):

- i. **Revenues** of \$1,100,193: an overall increase of approximately 13% or \$125,000.
  - o **Championship Revenue:** increased approximately 19% or \$19,700.
- ii. **Expenses** of \$998,065: a decrease of approximately 3% or \$30,573.

The Expense Schedules shown below are detailed in the audited financial statements at the end of the report compared to the previous year (2022).

- iii. **Administration (Schedule 3)** decreased approximately 3% or \$11,191. (Operational expenses)
- iv. **Capacity and Interaction (Schedule 4)** decreased approximately 9% or \$3,195. (Awards, recognition, and meetings)
- v. **Participation and Interaction (Schedule 5)** decreased approximately 7% or \$10,518. (Championships)
- vi. **Excellence (Schedule 6)** decreased approximately 1% or \$859. (National championships, Coaching)
- vii. **MAP GRANT (Schedule 7)** flow through expenses from the LTF grant for membership programming.

The overall result is a **\$102,128 surplus\*** of revenues over expenses and therefore an increase in the reserves (unrestricted net assets).

### NOTES FOR MEMBERSHIP REGARDING THE GOLF SASKATCHEWAN BUDGETING PROCESS:

1. Board/management does not include grant revenues unless they have officially been announced/received.
2. For the 2023 Fiscal Year the Board of Directors (BOD) approved a strategic surplus budget of **\$471**.
  - a. Budget Forecasted Expenses = \$1,126,471 compared to Budget Revenues = \$1,126,942.
  - b. Actual Expenses = \$998,065 compared to Actual Revenues = \$1,100,193.
3. Reminder to membership:
  - a. If the BOD approves a deficit budget, it does not impact Golf Saskatchewan's overall financial position due to strong reserve funds.
4. Limited interest can be accounted in our general operating funds however the practice is not used.
5. In 2021, one of our strategic goals/measures was accomplished which was a \$0 (or better) annual budget in less than three years.

Thank you to the Golf Saskatchewan staff/management, Board of Directors, and the Finance Committee for their contributions during the past year.

Respectfully submitted,

Teddy Weins, Chair of Finance Committee

### The Course Rating System consists of two basic elements:

**Course Rating** – the evaluation of the playing difficulty of a course for scratch golfers under normal course and weather conditions expressed as number of strokes (e.g. 72.5).

**Slope Rating** – the evaluation of the relative difficulty of a course for players who are not scratch golfers compared to the difficulty of the course for scratch golfers. The lowest Slope Rating is 55 and the highest 155. A course of standard playing difficulty will have a Slope Rating of 113.

Accuracy and consistency are the keys to effective course rating. Golf Canada and the provincial golf associations work together to rate golf courses and ensure that Course Ratings are accurate and uniform from coast to coast. Only Golf Canada authorized provincial golf associations may rate golf courses. If a club disagrees with its ratings, it may request that the provincial golf association review the ratings.

### 2023 Course Rating Seminar

The annual course rating seminar returned to an in-person format in 2023, held in Saskatoon May 16-18. The seminar was in-person for the Golf Saskatchewan volunteers, it was also available online for other participants. The seminar was attended by 19 Golf Saskatchewan volunteers and online by 4 volunteers from across the province and other jurisdictions. Following the seminar, the Saskatchewan volunteers conducted the Course Rating of the Riverside Country Club on May 18.

### 2024 Course Rating Seminar & Member Club Course Ratings

The 2024 seminar is tentatively scheduled for the week of May 13-17 in Saskatoon. The list of golf courses to be rated in 2024 has not been finalized as of the date of writing of the report but will be released after the AGM.

### Interested in Volunteering as a Course Rater?

-  Any prospective volunteers should note most course ratings are conducted on weekdays in May and June.
-  There may also be course ratings scheduled on weekdays in late August or September.
-  If you are interested in Course Rating or becoming a certified course rater, please contact our office.

Respectfully submitted,

Richard Smith, Chair of Course Rating Committee

# WORLD HANDICAP SYSTEM (WHS) | RULES OF HANDICAPPING

## Purpose of the Golf Canada Handicap System

Handicapping is at the core of equitable competition in amateur golf, with few other sports enabling players to compete equitably across different skill levels the way that golf does. Golf Canada is the Authorized National body that is responsible for implementing and administering the Rules of Handicapping in Canada in co-operation with the provincial golf associations.

### 2024 WORLD HANDICAP SYSTEM™

**3 KEY CHANGES**

#### COURSE RATING & SHORTER COURSES

Courses as short as 750 yards for 9 holes and 1,500 yards for 18 holes are eligible for a Course Rating™ and Slope Rating™ – enhancing the portability of a Handicap Index™ to make the system more accommodating for all players.

#### 10-17-HOLE SCORES

Use of expected Score Differential™ applies when 10-17 holes are played, introducing more flexibility to score posting. In this scenario, you're asked to post your score hole-by-hole.

#### 9-HOLE SCORES

No more waiting on 9-hole scores to combine, as they will count toward your Handicap Index the very next day. A premium is placed on the holes you played and combined with an expected Score Differential for consistency and fairness.

The purpose of the World Handicap System (WHS) is to make the game of golf more enjoyable for golfers by providing a consistent means of measuring one's performance and progress and to enable golfers of differing abilities to compete, or play a casual round, with anyone else on a fair and equal basis. Through the WHS, each golfer establishes a "Handicap Index" which is the measure of a player's demonstrated ability on a course of standard playing difficulty.

The Handicap Index is calculated using the lowest 8 of the player's most recent 20 Score Differentials and updated with each new round played. The Handicap Index travels worldwide with the golfer from course to course (and tee to tee) and is used to calculate a "Course Handicap". The Course Handicap is the number of strokes a golfer receives from the specific set of tees at the course. The more difficult the golf course the more strokes the golfer receives and vice versa.

The relative difficulty of a golf course is determined jointly by Golf Canada and the provincial golf association using the WHS Course Rating System as administered by Golf Canada. Specially trained Course Rating Teams evaluate the difficulty of a golf course based on such variables as length and a number of obstacle factors (e.g. topography, bunkers, lateral & crossing obstacles, severity of rough, etc.).

Only Golf Canada member golf clubs are permitted to use the WHS and Course Rating System (as administered by Golf Canada) including related trademarks and service marks. Member golf clubs must do so in a manner that preserves the integrity and reliability of these systems. All rights to use these systems and related trademarks and service marks terminate should the golf club cease to be a member in good standing with Golf Canada.

## Active Season and Posting of Scores

The handicap season for posting scores at Saskatchewan golf courses is April 15 to Oct. 31. All games played outside the active handicap season in Saskatchewan should not be posted for your handicap. Where can you post your scores? Post your golf scores, on the web portal, course kiosk or the Golf Canada app. You can look up a golfer's handicap factor(s), find golf courses in Canada, compute your course handicap and more. Download the app in 2024.

## Handicap Seminars and Licensing Agreements

There are three ways a club/individual can certify under the WHS:

1. attend a seminar in person,
2. attend a webinar, or
3. register and take the online handicap seminar via the [Golf Canada website](https://www.golfgocanada.com).
4. For member clubs, please sign, and return the WHS Licensing Agreement to the Golf Saskatchewan office.

# RULES OF GOLF COMMITTEE

## Member Club Rules Clinics

If you have a "What if" or "What happens when ..." a member club Rules of Golf clinic is for you. Four member clubs hosted a member club rules clinic in 2023. These sessions were held at golf courses for the benefit of members and are intended to familiarize golfers with frequently encountered rules situations and proper procedures.

## Rules Education: Level 1, Starting your Rules Education

If you are interested in the starting your Rules of Golf education and progressing through the Golf Canada Rules Educational Pathway, please visit the Volunteer/Learn section of the Golf Saskatchewan website. You don't have to be an expert on the rules to be interested.

## Rules Education: Level 2, Provincial Rules of Golf Seminar

In 2023, we did not hold an in person provincial Level 2 seminar. The 2024 Rules seminar will be held in April at the Royal Regina GC.

## Rules Education: Level 3, National Rules of Golf & T&RS

The Level 3 workshop was held virtually in early 2023. The series of Rules Sessions was provided to participants from coast to coast. The Level 3 online exam was challenged using the R&A Educational platform.

Golf Saskatchewan also hosted a Tournament & Referee School (TARS) at the Riverside Country Club in Saskatoon in May of 2023. A total of 9 people took part in the 3 full day sessions, from May 29-31.

## Rules of Golf 2023 NEW Edition:

Effective January 2023: As the governing body of golf in Canada, Golf Canada holds the exclusive right to govern, publish and distribute the Rules of Golf in Canada. The Rules are typically updated every four years through the work of the R&A and the United States Golf Association. A joint committee of these associations, on which the Chair of Golf Canada's Rules and Amateur Status Committee sits, is charged with revising, modernizing, and improving the Rules of Golf.

## Amateur Status

The Amateur Status Committee of Golf Canada defines an amateur as someone who plays the game as a non-remunerative and non-profit-making sport and who does not receive remuneration for teaching golf or for other activities because of golf skill or reputation.

Prizes in amateur events are limited to a retail value of \$1000. Yet players may receive expenses to play in competitions, accept golf scholarships and make inquiries as to the possibilities of becoming a professional, including playing in a qualifying event provided, if prize money is available, a waiver to any prize money is signed prior to playing.

The purpose and spirit of the rules is to keep the amateur game as free as possible from the abuses which may follow from uncontrolled sponsorship and financial incentive and to safeguard the rules of play and handicapping so that golf can be fully enjoyed by all amateur golfers.

*The Saskatchewan Golf Hall of Fame is dedicated to the recognition of extraordinary contributions and accomplishments in the game of golf in Saskatchewan. The purpose is to provide role models and icons for upcoming generations of golfers in Saskatchewan while setting standards for them to aspire towards.*

In 2022, the Saskatchewan Golf Hall of Fame Committee held two induction banquets to celebrate the [2020](#) and [2021](#) inductees after both those years galas were cancelled due to COVID-19. The [Regina based inductees](#) were enshrined at a gala on October 1 at the Royal Regina Golf Club. 52 people were in attendance. The [Saskatoon based inductees](#) were honoured at Riverside Country Club on October 22. 63 people were in attendance.

## SPORT DEVELOPMENT

The Sport Development portfolio including the Junior Development programs underwent some changes in 2023. In 2024 some of our traditional programs may return along with some new opportunities. Please watch our website and member communications for details.

### FIRST TEE – PRAIRIES

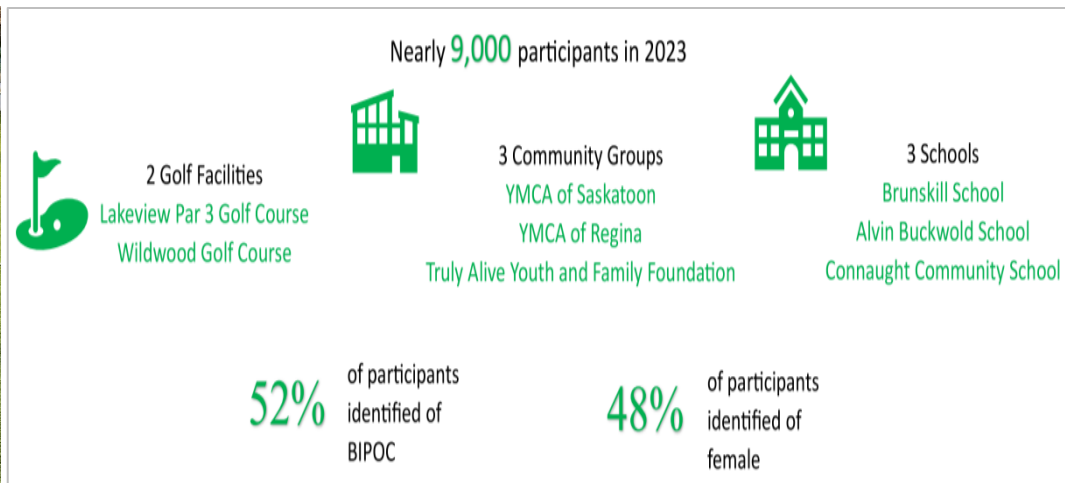

#### Building Game Changers, with First Tee – Prairies

In January 2023, Golf Canada launched the First Tee – Prairies chapter. Replacing and enhancing Future Links, First Tee is a youth development program providing youth of equity deserving communities, with life enhancing experiences through golf. The program offers accessible and inclusive programming at golf courses, schools, and community centres, with the goal of growing the game in Canada and having it reflect the diversity of our country.

In their first year, First Tee – Prairies partnered with Lakeview Par 3 Golf Course in Regina and Wildwood Golf Course in Saskatoon as the first program locations in Saskatchewan. Wildwood held a successful 4-week program, with Coach Jason Schneider hosting a full roster of beginner golfers. The participants were introduced to the fundamentals of golf and its inherent values, in the form of character-building lessons. They are excited to see the program at Lakeview Par 3 Golf Course grow as they are aiming to host programming from Spring to Fall, in 2024.

First Tee - Prairies has built relationships with ethnocultural organizations and connected with newcomer groups. Early on, the chapter established a relationship with the Truly Alive Youth and Family Foundation of Saskatoon. TAYFFI is a Black-led organization that provides programming and support services to families of visible minorities and vulnerable communities. With the help of TAYFFI's dedicated volunteers, their programming was the driving force for First Tee in Saskatoon this past year. Additionally, First Tee - Prairies partnered with the YMCA of Saskatoon and Regina, both of which will be beginning their programming in Spring 2024.

\*BIPOC – Black, Indigenous, People of Colour

#### 2024 Growth Projection

In 2024, First Tee - Prairies will be looking to bring the program to three new golf courses in Saskatchewan. Each program location will also connect with schools and community groups within close proximity to the golf course. This will introduce students and participants to the sport in a welcoming environment, that will then transition onto the course.

The team is dedicated to building relationships with community organizations, stakeholders, and volunteers to provide support for equity-deserving groups including BIPOC communities, girls, newcomers, and individuals with disabilities. Working alongside Indigenous groups in Saskatchewan is of the utmost importance for First Tee and they will be looking to establish Indigenous led programming in 2024. This year they will also begin hosting all-female programming and events, in collaboration with groups such as Girls in the Game and Truly Alive Youth and Family Foundation.

## How To Get Involved

### Get Involved

Want to make a difference in the lives of young people? There are many ways you can support the mission of First Tee – Prairies and help us introduce the game of golf and its inherent values like honesty, respect, and confidence, to kids and teens.

Learn More →

**Schools and Community Centres:** The First Tee School and Community Program aims to bring First Tee curriculum to children’s physical education classes and after school programming. First Tee provides educators with all the tools and resources necessary to teach youth leadership skills, through golf. This includes custom developmentally appropriate equipment and a full curriculum.

**Participants:** First Tee sessions are delivered in a welcoming group setting for youth 6-12 years of age, regardless of background or previous golf experience. On the course, the game of golf is seamlessly integrated with character building lessons, to help kids uncover their inner strength, self-confidence, and resilience that they can carry into their everyday life.

**Coaches and Volunteers:** First Tee - Prairies relies heavily on volunteers and coaches to accomplish their mission. There is always a need for passionate individuals to fill several positions such as coaches, event volunteers, and traveling program support. All experience levels are welcome, as training is provided to ensure children have a safe and empowering environment to play in. Led by the PGA of Canada, First Tee Coach Education is delivered to aspiring coaches who are passionate about the development of junior golf and enables coaches to choose their own level of involvement.

**Donations and Sponsorship:** First Tee – Prairies is fully funded through charitable contributions from donor aligning with the program’s mission to positively impact the lives of youth through golf. Whether it be a monthly donation, corporate partnership, third party fundraiser, or one time donation, it contributes to our ability to eliminate financial barriers for deserving youth in Saskatchewan.

#### **Green Fees to Grow the Game – A Simple Fundraising Idea!**

- Support junior golf by adding a \$1 donation to each green fee.
- Donate funds to First Tee – Prairies & your course is eligible for a tax receipt!
- Funds raised stay in Saskatchewan to support First Tee initiatives.

For more information on how you can get involved, please reach out to a member of the First Tee – Prairies team:

# PARTICIPATION – GROWING THE GAME

## Junior-Junior Championship

The 3<sup>rd</sup> playing of the Junior-Junior Championship was contested, with help from the host committee at the Chinook Golf Club. The two-day event was part of the regular Junior Championships after debuting at the 'Junior-Junior' (JR-JR) in 2021 at Hillcrest Golf Club in Moose Jaw.

The goal of the event is to introduce kids to competitive golf, providing a fun, learning experience for golfers under the age of thirteen and introduce players of that age to multi-day events. There were **11 participants** in this fun, Stableford format tournament with a parent/guardian/or adult, acting as the caddy to assist the pace of play and overall enjoyment.

The JR-JR will be an annual event alongside the junior provincial championships moving forward and will be at the Deer Park Municipal Golf Course in 2024.

### Junior Skills Challenge (JSC)

The Junior Skills Challenge is an online and interactive program that focuses on developing the key golf skills of putting, chipping and driving. The online leaderboard allows instructors to upload players' scores so they can track their improvement. Using the data, players are ranked nationally by age group, and scores on the National Leaderboard. Top competitors nationally are invited to compete in the annual JSC National Final.

## EXCELLENCE – IN THE GAME

### Golf Canada National Championships

Please see the National Championship results later in the report.

### National Athlete Assistance Subsidy (NAAS)

Since 1999, (when the CLGA of Saskatchewan and SGA amalgamated into one association), Golf Saskatchewan has provided more than **\$1 million dollars (\$1,165,387)** in combined Athlete Assistance and funding towards national championships. The Sport Development Committee believes in our athletes competing and excelling at the highest levels.

**So how does a player qualify for NAAS?** → Play in our championships and commit to playing at nationals. Following our provincial championships, athletes who qualify to attend nationals, either on teams or quota spots, are eligible to receive funding. The amount of subsidy is determined on an annual basis, however more dollars are allocated towards players who make the team spots (those who medal). The remainder of the funds are shared with the remaining quota spot players.

### SAGE Scholarships & High School Bursaries

The program annually presents scholarships to assist deserving member golfers in their pursuit of high school and post-secondary academic excellence. The successful recipients are selected based on academic excellence as well as some weighting of their golf participation. The two organizations who pay the scholarship amounts are Golf Saskatchewan and the Saskatoon Community Foundation.

### Coaching Development

The PGA of Canada's coaching program is developed in partnership with Golf Canada and the Coaching Association of Canada (CAC). The PGA of Canada is one of 67 sports participating in the National Coaching Certification Program (NCCP). It is the recognized national standard for coach training and certification in Canada. Each year more than 50,000 coaches take an NCCP course, and more than 1 million coaches have participated in the program, making it one of Canada's largest adult education programs. In 2023, Clinton Schmaltz completed the requirements of the CNC program. As of 2023 Saskatchewan has:

## MULTI-SPORT GAMES

### Tony Cote Saskatchewan Games

The Tony Cote Summer/Winter Games formerly known as the Saskatchewan First Nation Summer/Winter Games was initiated in 1974 by Chief Tony Cote and the Council of the Cote First Nation and their membership. They determined that most First Nation youth under the age of 20 were excluded by mainstream sport systems.

The inception of the Summer Games was to coincide with the celebration of the 100th Anniversary of the signing of Treaty 4. The [2024 Games](#) are being hosted by the Lac La Ronge Indian Band (LLRIB) based out of La Ronge.

The golf event will be played at Eagle Point Resort and the games are slated for August 3 – 10, 2024.

### North American Indigenous Games (NAIG)

The 2023 North American Indigenous Games (NAIG) were very successful for Saskatchewan golfers!

Three players returned to Saskatchewan with medals intact including Cassidy Strongarm, Hailey Thunderchild, and Solomon Ness. They all earned medals at the event hosted at The Links at Brunello just outside of Halifax, NS.

### Saskatchewan Summer Games

In the summer of 2024, more than 1,800 athletes, coaches and officials will gather in the Border City to share in the thrill of competition and camaraderie on the provincial stage. Upwards of 1,000 community volunteers will be recruited to help welcome thousands of visitors to Lloydminster during the seven days of Games competition.

The Saskatchewan Games Council looks forward to partnering with the City of Lloydminster and the 2024 Saskatchewan Summer Games Host Society to stage an incredible celebration of sport, volunteerism, and community.

Six Saskatchewan athletes, three of each gender under the age of 17 as of the final day of the 2024 Golf Canada Junior Girls and Junior Boys Championships (Female athletes: July 25, 2024; Male athletes: August 16, 2024) are eligible.

Details about the 2024 qualifiers will be announced prior to the official start of the active golf season on April 15.

U13 Men	Austin Nesbitt	Wascana Country Club	Pilot Butte
Women	Kim Walker	Wascana Country Club	Regina
Men	Jehremy Ryde	Riverside Country Club	Saskatoon
Senior Men	Rick Hallberg	Golf Kenosee	Weyburn

**New for 2023**, the winner of each *Order of Merit Tour* category received a complimentary entry into a provincial championship of their choosing in 2024. Golf Saskatchewan hopes this will continue to develop a pathway for player development in the years to follow.

## INCLUSIONARY PROGRAMS & SERVICES

### Solo-Riders

Sometimes people cannot play golf due to mobility issues related to genetics, age, change in life situation, health deterioration, or an accident. Solo-Rider adaptive golf carts are turning what used to be thought of as an impossibility into a reality. Athletes who have a mobility issue can now enjoy the stable, comfortable, and fun way to get back in the game. The specialty cart enables golfers to continue to enjoy the game of golf or take it up for the first time.

September 6, 2023

Holiday Park becomes  
host course for second  
SoloRider

Golf Saskatchewan, through funding from Sask Sport Inc. and a Para-Sport grant, now owns three Solo-ider power-carts. The Solo-Riders are housed at the Silverwood Golf Course and Holiday Park Golf Course, the third cart is under maintenance and will be available in 2024 to an inquiring club.

There is no cost to rent the Solo-Rider other than the cost of a green fee for the participant.

Please assist us in spreading the word about the Solo-Rider as an option for enjoying the game. Golf, a game for everyone. Solo Rider Cart are available at:

-  Saskatoon – Silverwood Golf Course | Holiday Park Golf Course
-  Third cart will be relocated in the spring of 2024

### Other Groups and/or Non-Profit Organizations:

Golf Saskatchewan also partners and/or assists with the following organizations/events:

1. Saskatchewan Blind Sports Association
2. Saskatchewan Wheelchair Sports Association
3. Special Olympics Association of Saskatchewan (Nipawin branch)
4. Spinal Cord Association of Saskatchewan

## NATIONAL GOLF LEAGUE (NGL)

### NGL Championship

The National Golf League (NGL) made its debut in 2023, attracting nearly 60 clubs nationwide during our pilot year. Among them, six Saskatchewan clubs participated in our inaugural season. To learn more about the National Golf League, visit our website at [www.nationalgolfleague.ca/](http://www.nationalgolfleague.ca/).

Integrating seamlessly with existing league structures, the NGL adopts a 9-hole net Stableford format, ensuring fairness through the inclusion of handicaps. Golf Genius serves as our designated platform for tracking provincial and national leaderboards. League Administrators have the flexibility to designate six "Major Weeks," during which four out of six scores contribute to qualification for provincial finals.

The 2023 Saskatchewan Regional Finals held at Royal Regina Golf Club on September 26<sup>th</sup>, we extend a warm invitation to the six golf courses who participated in the regular season of the National Golf League. The event witnessed a great day of golf, with three Saskatchewan teams qualifying for the NGL National Championship, under extremely windy conditions.

These teams will have the exclusive opportunity to compete on the host course of the 2025 RBC Canadian Open in Hamilton, just days before our national Open in Hamilton. Here's a high-level overview of the NGL:

- The National Golf League seamlessly integrates into your existing league structure.
- Using a 9-hole net Stableford format, incorporating handicaps for fairness across leagues.
- Golf Genius facilitates tracking of provincial and national leaderboards.
- Teams select six "Major weeks," with four scores counting towards qualification for provincial finals.
- Top individuals in the league can invite a partner from within the league to the Regional (Provincial) Finals.
- Participant ratios for regional qualification are set at 20:1 for women, 25:1 for mixed, and 30:1 for men's leagues.
- In 2024, each league is requested to donate \$25 per player to the First Tee program, with proceeds staying within the province.

## INDEPENDENT AUDITORS' REPORT

### To the Members, Golf Saskatchewan

#### *Opinion*

We have audited the financial statements of **Saskatchewan Golf Association Inc.** operating as **Golf Saskatchewan** which comprise the statement of financial position as at **December 31, 2023**, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at December 31, 2023, and its financial performance and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Saskatchewan, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### *Information Other than the Financial Statements and Auditor's Report Thereon*

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

#### *Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

## INDEPENDENT AUDITORS' REPORT (continued)

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2023**  
(with comparative figures as at December 31, 2022)

**1. Nature of operations**

Saskatchewan Golf Association Inc. ("Golf Saskatchewan" or the "Association") is continued under *The Non-Profit Corporations Act, 2022*, in the province of Saskatchewan. The Association promotes and coordinates amateur golf in the province of Saskatchewan. The Association is exempt from income tax under Section 149(1)(l) of *The Income Tax Act*.

**2. Summary of significant accounting policies**

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The financial statements required management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the period in which they become known. The financial statements reflect the following accounting policies:

*Financial instruments - recognition and measurement*

Financial assets and financial liabilities are recorded on the statement of financial position when the Association becomes party to the contractual provisions of the financial instrument. All financial instruments are required to be recognized at fair value upon initial recognition, except for certain related party transactions. Measurement in subsequent periods of equity instruments is at fair value. All other financial instruments are subsequently measured at amortized cost adjusted by transaction costs, which are amortized over the expected life of the instrument.

Fair value is the amount at which a financial instrument could be exchanged at arm's length between willing, unrelated parties in an open market. Changes in fair value of financial instruments measured at fair value are recognized in the excess of revenues over expenses.

When there is an indication of impairment and such impairment is determined to have occurred, the carrying amount of financial assets measured at amortized cost is reduced to the greater of the discounted cash flows expected or the proceeds that could be realized from sale of the financial asset. Such impairments can be subsequently reversed if the value subsequently improves.

The Association's recognized financial instruments consist of cash, investments, accounts receivable, accounts payable and accrued liabilities. The fair value of the items approximate cost given their short term nature or recognition at market value.

*Inventory*

Inventory is recorded at the lower of cost and net realizable value. Cost is determined based on the specific identification method.

*Tangible capital assets*

Tangible capital assets are recorded at cost less accumulated amortization. Amortization is provided on a declining balance basis over the estimated useful life of the assets at the following annual rates.

Computer equipment	40%
Equipment	30%

**2. Summary of significant accounting policies (continued)**

*Funds*

The Golf Hall of Fame fund is internally restricted fund established to hold funds raised in support of a Saskatchewan golf hall of fame.

*Revenue recognition*

The Association follows the deferral method for accounting for contributions. Restricted contributions are recognized as revenue in the year in which related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable, if the amount can be reasonably estimated and collections are assured. Revenues received from the Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation are recorded as revenue in year to which the year to which the funding relates. Membership fees are recognized in the membership year, which coincides with the Association's fiscal year. Revenues from tournaments, and clinics are recognized when the event occurs. Investment revenue is recognized as it is earned. Fundraising and donation revenues are recognized when they are received.

*Donations in kind*

Donations of material and services are recorded at fair market value when received if the amount can be reasonably estimated and would otherwise have been purchased.

*Contributed services*

The work of Golf Saskatchewan is dependent on the services of many volunteers at amateur events as well as for the governance council and various committees. Since these services are not normally purchased and because of the difficulty in determining their fair value, donated services are not recorded in the statement of operations.

**4. Investments continued**

The Association holds three guaranteed investment certificates totaling \$75,000, each with a stated interest rate of 5% maturing January 2024 and three prime linked cashable guaranteed investment certificates totaling \$75,000, each with a maturity date of August 2024.

The RBC A+ Unified Managed Account is a structure which provides access to multiple investment managers within one account. The asset allocation of the account at year end was 51% equities and 47% fixed income (2022 – 49% equities and 48% fixed income), with an emphasis on high quality securities, income generation, downside protection and capital preservation.

At December 31, 2023, the asset allocation in the account was \$7,761 in cash, \$244,561 in fixed income and \$264,723 in equities. At December 31, 2022, the asset allocation in the account was \$12,675 in cash, \$230,714 in fixed income and \$241,959 in equities.

**5. Sport Legacy Fund**

The cash surrender value of the life insurance policy and investment in the Sport Legacy Fund consists of donations based on various programs and contributions by Sask Sport. These amount are recorded as deferred revenue until amount have been received. To qualify for an additional contribution by Sask Sport Inc., the Association is required to leave the original amount and any additional donations in the Legacy Fund for a minimum of five years.

**6. Deferred revenue**

**8. Economic dependence**

Golf Saskatchewan currently receives revenue in grants from Saskatchewan Lotteries Fund for Sport, Culture and Recreation. As a result, the Association is dependent upon the continuance of these grants to maintain operations at their current level.

**9. Financial risk management**

The significant financial risks to which the Association is exposed are:

*Credit risk*

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Association is exposed to credit risk on its accounts receivable. The Association did not incur bad debt expense in recent years.

*Liquidity risk*

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Association's exposure to liquidity risk is dependent on the receipt of funds from its operations and other related sources. Funds from these sources are primarily used to finance working capital and capital expenditure requirements and are considered adequate to meet the Association's financial obligations.

*Price risk*

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Association's investments in publicly traded securities expose the Association to market price risk as such investments are subject to price changes in the open market. The Association does not use any derivative financial instruments to alter the effect of this risk.

**10. Contributed materials**

During the year, the Association received donated golf products estimated at a value of \$20,000 (2022 - \$20,000).
