

NORTH BATTLEFORD

Golf and Country Club

ASSISTANT GOLF SUPERINTENDENT

The North Battleford Golf and Country Club is now accepting applications for the Assistant Superintendent position. North Battleford is located in north central Saskatchewan, one hour west of Saskatoon. The Battlefords is a growing community of 20,000 people which offers affordable living, excellent amenities and abundant recreational opportunities.

The golf course is situated in the North Saskatchewan River Valley on rolling terrain with tree lined fairways. The HDP irrigation system includes Toro sprinkler heads controlled by the Lynx program. Future upgrades to the golf course are under the guidance of a Gary Browning Design master-plan.

JOB DESCRIPTION / DUTIES

The Assistant will report directly to the Superintendent and play a key role on our turf management team.

- Report daily on course conditions
- Assist in scheduling and daily planning
- Participate in all aspects of the maintenance program
- Assist in training and evaluation of employees
- Apply fertilizers and pesticides
- Supervise staff in projects and in-house construction

QUALIFICATIONS / REQUIRED SKILLS

The successful applicant will be highly motivated, goal oriented and dedicated to excellence in turf management. The successful applicant will possess the following:

- Turf management education or relevant experience
- A minimum of two years turf maintenance experience
- Good training and supervisory skills
- Good verbal and written communication skills
- A familiarity with automated irrigation
- A familiarity with fertilizers, pesticides and calibration

- An understanding of cultural practices
- A pesticide certificate or ability to obtain one

ADDITIONAL INFORMATION

This is a year-round position. The successful applicant will possess a strong desire to become a Golf Course Superintendent. This hire can be considered part of a succession plan.

Resumes will be accepted until the position is filled.
