

Position: Golf Course Superintendent

Location: Melville Golf and Country Club – Melville Saskatchewan

Employment Type: Full-Time Seasonal (Mid April- October Weather Depending)

About Us

Melville Golf and Country Club is a professionally maintained 18 hole golf course committed to delivering excellent playing conditions for our members and guests. We pride ourselves on responsible turf management, environmental stewardship, and a positive team culture.

Position Summary

We are seeking a knowledgeable and motivated Golf Course Superintendent to lead all aspects of golf course maintenance. The Superintendent is responsible for ensuring the course is maintained to high standards of playability, safety, and appearance while managing staff, budgets, and resources in accordance with Canadian regulations and best practices.

Key Responsibilities:

- **Plan, organize, and supervise all golf course maintenance programs.**
- **Develop and execute seasonal turf management plans suited to Canadian climate conditions**
- **Lead, train, and schedule maintenance staff and seasonal employees**
- **Oversee irrigation systems, drainage, and water management practices**
- **Manage fertilizer, pesticide, and chemical applications in compliance with provincial and federal regulations**
- **Ensure equipment maintenance and safe operation procedures are followed**
- **Prepare and manage departmental budgets and control operating expenses**
- **Maintain accurate records and reports related to turf, chemicals, and safety**
- **Communicate course conditions, projects, and priorities with ownership/management**

Qualifications:

- Minimum 1-3 years of experience in golf course maintenance; Superintendent or Assistant Superintendent experience preferred
- Diploma or degree in Turfgrass Management or a related field
- Valid provincial Pesticide Applicator License (or ability to obtain)
- Strong knowledge of turfgrass species suited to Canadian climates
- Proven leadership, organizational, and team-management skills
- Working knowledge of irrigation systems and golf course maintenance equipment
- Ability to work flexible hours, including early mornings, weekends, and holidays
 - Mechanical ability and skills will be considered an asset

What We Offer:

- Competitive salary, commensurate with experience (55-75k)
- Benefits package
- Supportive work environment with quality equipment and facilities
