

2026 LOCAL RULES & TERMS OF THE COMPETITION

Play is governed by the Golf Canada Rules of Golf (effective January 2023), and, where applicable, by the following Local Rules and Terms of the Competition, subject to changes, additions or deletions for particular championships. The player's attention is drawn to Terms of the Competition as printed on the forms accompanying applications for entry. Complete text of Local Rules may be found in the Golf Canada Official Guide to the Rules of Golf (effective January 2023).

Unless otherwise noted, the penalty for a breach of a Local Rule is the General Penalty.

Match play – Loss of hole; Stroke play – Two strokes

1. Out of Bounds (Rule 18.2)

Defined by the line between course-side points at ground level of white dots, lines, stakes, and posts of fences defining out of bounds. A ball is out of bounds when it is beyond any wall defining the boundary of the course.

Closed Gates attached to the boundary walls and fences are part of the boundary object.

Relief is not allowed from such a gate under Rule 15.2 or 16.1.

Open gate is not treated as part of the boundary object and may be closed or moved to a different position. Model Local Rule F-26 is in effect.

2. Abnormal Course Conditions (Including Immovable Obstructions) (Rule 16)

Ground Under Repair – Rule 16.1 includes:

- a. Areas defined by white lines.
- b. Drainage ditches filled with stones (French drains).
- c. Seams of Cut Turf – Model Local Rule F-7 is in effect. Interference exists if a player's ball lies in or touches a seam of cut turf or a seam interferes with the player's area of intended swing. **However**, interference does not exist if the seam only interferes with the player's stance. All seams within the area of cut turf are treated as the same seam in taking relief.
- d. White-Lined Area Tying into Artificially Surfaced Roads and Paths – White-lines areas of ground under repair and artificially surfaced roads, paths, or other identified obstructions are connected to a single abnormal course condition when taking relief under Rule 16.1.
- e. Painted Lines or Dots – Model Local Rule F-21.1 is in effect. Painted lines or dots on a putting green or in a part of the general area cut to fairway height or less are treated as ground under repair from which relief is allowed under Rule 16.1. But interference does not exist if painted lines or dots only interfere with the player's stance.

3. Immovable Obstructions Close to Putting Greens – Model Local Rule F-5.2 is in effect. For a ball in the general area, relief may be taken under Rule 16.1b when both the ball and obstruction lie in an area cut to fairway height or less. The ball must be within **two club-lengths** of the obstruction and the obstruction must be located:

- a. on or within two-club lengths of the putting green, and;
- b. on the player's line of play.

4. Wood Chips and Mulch – Wood chips and mulch are loose impediments.

5. Integral Objects – The following are integral objects from which free relief is not allowed:

- a. The portion of cables, wires, wrappings and other similar objects when closely attached to trees;
- b. Artificial retaining walls and/or pilings when located within penalty areas or which are adjacent to the edge of bunkers;
- c. Bunker liners in their intended position. An exposed bunker liner may be treated as ground under repair by the Committee. However, interference by a bunker liner does not

exist if the bunker liner only interferes with a player's stance.

6. **Animals Near Ball** – Model Local Rule E-13 is in effect. An animal that is not defined as a loose impediment and is touching or near a player's ball may be removed. If the ball moves, there is no penalty and the ball must be replaced.
7. **Temporary Immovable Obstructions** – Model Local Rule F-23 is in effect. Temporary Immovable Obstructions include, but are not limited to, starting tents, scoring tents and pace of play stations/tents.
8. **Penalty Areas (Rule 17)** – When a red penalty area is defined on only one side, it is deemed to extend to infinity. When a red penalty area adjoins a boundary, the penalty area edge extends to and coincides with the boundary.
