

GOLF COURSE SUPERINTENDENT – SASK LANDING GOLF RESORT

Sask Landing Golf Resort is a beautiful 18-hole course located 30 minutes north of Swift Current and is located within Saskatchewan Landing Provincial Park along Lake Diefenbaker. We're known for our scenic views, well-maintained course, and welcoming atmosphere. Whether you're a seasoned golfer or just getting started, it's a fun course that's challenging enough for experienced players but enjoyable for everyone. We also have a clubhouse restaurant, pro shop & private seasonal campground.

We are on the search for our next Golf Course Superintendent to help us maintain the elite quality of our course and plan for the future.

KEY RESPONSIBILITIES

TURF AND COURSE MANAGEMENT

- Plan, supervise, and execute daily and seasonal maintenance of tees, fairways, greens, roughs, and other playing areas.
- Oversee turfgrass health, including mowing, aeration, fertilization, irrigation, pest, disease, and weed control.
- Manage irrigation systems and water usage to keep turf healthy with environmental stewardship.
- Plan and implement long-term agronomic programs and cultural practices.

LEADERSHIP AND STAFF MANAGEMENT

- Hire, train, schedule, and supervise maintenance staff and seasonal workers.
- Lead and motivate the team to achieve high standards in turf care and safety.
- Ensure safe work practices and compliance with occupational health and safety standards.

FINANCIAL AND OPERATIONAL MANAGEMENT

- Prepare and manage annual operating and capital budgets for maintenance programs and equipment.
- Purchase and manage equipment, supplies, and materials.
- Maintain accurate records (weather data, applications, inventories, financial reports).

EQUIPMENT AND FACILITIES

- Perform & supervise maintenance and repairs of all grounds equipment.
- Manage machinery, workshops, and tools to ensure efficient operations.

PLANNING AND COLLABORATION

- Participate in long-range planning for course improvements and capital projects.
- Work collaboratively with club leadership on operational decisions and member expectations.
- Communicate course conditions, upcoming work, and maintenance issues to members and management.

REGULATORY COMPLIANCE

- Ensure compliance with environmental, pesticide applicator, and safety regulations.
- Maintain proper documentation for chemical applications, safety training, and regulatory requirements.

SKILLS, KNOWLEDGE & QUALIFICATIONS

- Post-secondary education in turfgrass management, horticulture, agronomy, or related field OR a combination of significant experience in golf course maintenance (3–5+ years), including leadership roles.
- Pesticide and fertilizer applicator certification and knowledge of WHMIS/OHS.
- Strong leadership, communication, budgeting, and planning skills.

This position is mainly seasonal but the potential for year-round work exists. Salary is based on education and experience. Opportunity for seasonal camping exists as well. Please send cover letter, resume and expected salary to:

Sask Landing Golf Resort, PO Box 147, Kyle, SK. S0L 1T0 or email: gm@sasklanding.ca

DEADLINE FOR SUBMISSIONS IS SEPTEMBER 1st, 2026 OR WHEN A SUITABLE CANDIDATE IS FOUND.
